Situs (Location) Address Request Form

Directions

A SITUS, or LOCATION, address is different than a mailing address.
- A situs address is where the property is physically located.
- A mailing address is where you wish to receive correspondence from the County.

All changes to the situs address will be verified with the City before a change is made.

Questions may be directed to 816-881-4561 or gis@jacksongov.org

When the form is completed:
