JACKSON COUNTY

HISTORIC TRUMAN COURTHOUSE – BUSINESS PERSONAL PROPERTY SECTION

Dear Business Owner,

Congratulations on the opening of your business! We at the Assessment Department realize that there are a lot of things to do to prepare for your opening and personal property taxes are probably the last thing on your list. However, we want to insure that you don't overlook this important step in starting a business. As a business owner, you are a very important asset to Jackson County. This letter is to inform you about your personal property filing responsibilities.

Missouri law (M.R.S. 137.340) requires all individuals and businesses to list their tangible personal property that is owned as of January 1 for assessment on the tax rolls. All tangible personal property is to be reported to the Assessment Department by March 1 of each year. Some of the most common examples of business personal property are office furniture and fixtures, computers, machinery and equipment, supplies, etc. You may contact our office for more examples of tangible personal property that are required to be listed for assessment. Please complete the enclosed forms and return them within ten (10) days of the date of this letter to the Business Personal Property Section of the Assessment Department. The assessor may send a County Business Personal Property Declaration form *in addition* to this Business Information Sheet. If so, be sure to complete and return *both* documents by the requested date.

The information you provide will enable our office to value your business personal property in a fair and accurate manner for the tax roll. If no information is received from you, the Assessment Department will be forced to estimate the value, which may result in an audit of your business. A filing penalty may also be applied to the assessed value of the property if the forms are returned late or not returned at all. Your cooperation in this important step will help avoid inaccurate assessments and unnecessary penalties.

If you have any questions regarding this letter, or feel you may have received it in error, please do not hesitate to contact the Business Personal Property Section at (816) 881-4672. Our office hours are 8:00 a.m. to 5:00 p.m. (CST) Monday through Friday. May all your hard work lead to many future successes.

Sincerely,

Business Personal Property Staff
