2016

DATE:

November 9, 2015

TO:

Members of the Jackson County Legislature

FROM:

Michael D. Sanders, County Executive

SUBJECT:

Proposed Budget for 2016

As required by the Code of Ordinances, Section 530. Budget Recommendation, "Not later than November 15<sup>th</sup> of every year the County Executive shall submit to the County Legislature a recommended budget prepared by the budget officer of the county for the ensuring fiscal year." (Ord. 11, Sec. 3.57, Eff. 1-1-73).

Please find attached the recommended budget for the coming fiscal year. As this is not an election year for the Legislature, the budget hearings will occur in December, for adoption no later than December 31, 2015, as set forth in the Jackson County Code of Ordinances Section 530 (1).

# **Budget Overview**

As has been the case for several years, 2016 continues to present financial challenges for the County despite a projected overall increase in revenues. For example, revenues in the General Fund are projected to be up over four percent from last year's budget. To date in 2015, sales tax receipts are up over four percent compared to the prior year. In 2016, we are budgeting another increase in sales tax on the back of strong consumer spending. Additionally, charges for services in the General Fund are budgeted to be up approximately \$1.8 million primarily as a result of an increase in reimbursements from the City of Kansas City for jail space and an increase in collector's commission.

Additionally, we are recommending a 2.06% merit pool for County employees. While this amount is limited, we felt it was important to continue to compensate employees particularly given the rising costs of health insurance premiums, as well as the overall cost of living. It should be noted that the CPI for the State of Missouri is at .8% for 2015.

# **Fund Highlights**

# **General Fund**

• \$2.3 million is being used to fund the general and primary elections in FY2016.

 \$900,000 of a grand total of \$1.2 million is being used to address pay inequities in the Corrections Department. The remaining \$300,000 will be allocated to the Health and Anti-Drug Fund from which they are also funded.

### Health Fund

- The Health Fund is absorbing approximately \$1.8 million of Corrections staff and related costs that work primarily in the medical ward.
- In addition to \$2.4 million in the Corrections budget for a medical care contract with the Correctional Health Care Companies, \$250,000 has been set aside to address other medical care needs.

### Park Fund

\$1.4 million has been set aside for facility improvements.

# Special Road & Bridge Fund

- \$2.8 million has been set aside for anticipated debt service for the Rock Island Railroad.
- Approximately \$4.3 million has been set aside for the Rock Island Railroad acquisition.

# Anti-Drug Sales Tax Fund

- \$1 million to continue the Prosecutor's Anti-Violence initiative.
- \$440,000 to continue COMBAT's Anti-Violence campaign.
- \$963,000 is set aside for Correctional facilities improvements.
- \$81,000 has been set aside for new vans to transport inmates.

# Park Enterprise Fund

• \$1,075,000 is for the Little Blue Trace Trail. Of these funds, \$675,000 represents a grant from the City of Kansas City, Missouri.

# **Budget Summary**

While this continues to be a lean budget, our team is proud to submit a structurally sound budget that is balanced. We continue to fund a 3% contingency fund / cash flow reserve in each of our major funds. We look forward to the budget process in December. In the meantime, if you have any questions, please let me know.

# Jackson County, Missouri State of the County Address - 2016

Delivered by Frank White, Jr. from the Harry S. Truman Presidential Library and Museum on February 19, 2016

Thank you. And thank you Frank, for your kind introduction. It is rare that a father has the opportunity to be introduced by his son.

I am blessed to be a father, and a grandfather, a great-grandfather, and a husband to a wonderful woman. I would not be standing here before you today without my wife Teresa's support. She will be a terrific First Lady for Jackson County.

Welcome everyone.

Today, I feel like a rookie again. As you saw, my career has been built on many 'firsts.' But, I have never experienced a first quite like this.

Often, it is all about the journey.

Jackson County has come a long way. In the early 1800s, slaves built our first courthouses. Today I proudly stand here as the first African-American to hold the position of Jackson County Executive.

I'm not the only person here today who has experienced a first. I would like to turn the spotlight to the first woman to be chair of the Jackson County Legislature, Crystal Williams.

And while I am mentioning strong women, it is a privilege to have Dutch Newman in the audience. Dutch has been a role model for anyone who is politically active in Jackson County, and I appreciate her taking the time to be here today.

I'd like to thank our friends at the Harry S. Truman Library and Museum for so graciously allowing us to use this iconic setting. There is no one more historic in Jackson County than our 33rd president. For me to have the opportunity to walk the halls that Harry Truman walked and to sit in the office he occupied will always be an inspiration.

It is my honor to present the State of the County in this building.

### **RESPONDING TO THE PEOPLE**

When I was sworn in a month ago, I was frequently asked, "What is your top priority?" My answer is simple: people.

I want to improve the quality of life for people in Jackson County—in every part of the county—and to make sure that our county government is truly "of the people, by the people and for the people."

For some, county government is an afterthought. Many don't understand what we do. A few still remember the days of old-time political battles. On the other hand, some don't even realize that Kansas City is part of the county.

In order to change that, we must govern in a way where all our residents feel well represented. We need to educate our people. We need to inform our people. We need to listen to people. And we need to respond to people.

Whether you work in Grain Valley or the old Northeast neighborhoods, whether you attend school in Lee's Summit or the Center School District, whether you live in Lone Jack or the Key Coalition neighborhood of Kansas City, you deserve the best from your county government. We need to be there for you. We need to be accessible. We need to continue to be public servants, always ready and willing to help.

Under my leadership, Jackson County will be laser focused on the people.

Imagine a county government that makes decisions based on how it affects the average worker. Think about a county government that is transparent to our residents. Consider a county government that judges success on how their projects affect the lives of its citizens.

This is my vision. To get it done, I will need your help.

# ASSOCIATES—NOT JUST EMPLOYEES

First and foremost, I'll need help from everyone who works for Jackson County. I don't see them as employees, but as associates. The difference is that employees are focused on getting a paycheck, while associates buy into the goals of the organization and get things done.

When our associates have great ideas, I want to hear them. Together we can make county government more effective.

For example, take Pat McCormack. Pat is our 2015 Employee of the Year. He works for our Parks + Rec Department as an Equipment Operator. When Pat noticed that many of the Park's small machines—leaf blowers, weed-eaters and chainsaws—were piling up waiting to be repaired, he organized a team to get it done. In the past those machines might have gone to the surplus pile, but Pat's willingness to step up and manage a new project saved the department and taxpayers a lot of money.

# **REGIONAL PARTNERS**

Second, we will need our regional partners, many of whom are here today.

In today's economy and in today's political climate, no government can act in isolation. Rather, we need the help of many partners, including our state and federal governments, other counties in the region, and the cities—big and small— in Jackson County.

One of my favorite leaders, Congressman Emanuel Cleaver, once said, "There is more power in unity than division."

Jackson County has often taken the lead to promote unity, and we can do even more.

It is because of partnerships with the Mid-America Regional Council, Core4, The Eastern Jackson County Betterment Council and other similar groups that we have been able to share knowledge, combine talents and save tax dollars.

Our partnership with Kansas City and the Kansas City Police Department to run a joint correctional facility has saved both the city and the county millions of dollars.

Our partnership with Clay, Platte and Cass counties to provide Medical Examiner services has created a model medical examiner's office, whose excellence is recognized nationally.

And, our unique partnership with the Kansas City Area Transportation Authority on the Rock Island Corridor has set the stage for an exciting future for the expansion of trails, for new modes of transportation and for economic development in the region.

We will continue to seek partnerships that will benefit all of our citizens. To every mayor, county official and our other partners here today, thank you for giving your support to Jackson County and our residents.

### **TRAILBLAZING PAST & FUTURE**

Jackson County is well known for its trailblazing spirit. Perhaps the most defining moment in our history came as pioneers made their way to Independence, and continued west on one of three famous trails: The Santa Fe, the California and the Oregon.

It was a man named Hiram Young who helped many of those pioneers make their journeys possible.

Young started life as a slave in Hawkins County, Tennessee. He was purchased by a man from Lafayette County and came to Missouri as a young married man.

Hiram had a vision for his future—he wanted to be free. Working hard, he purchased his wife out of slavery, so that their children would be born free. Then he purchased his own freedom.

Once he was freed, Young started a business building wagons. He built a shop three blocks down what is now 24 Highway, and he prospered. In 1860 Young employed about 25 men, many of whom were working their way to freedom—just as he had. Records show that they built over 300 wagons, and over 6,000 ox yokes that year. Some sources say he was one of the richest men in Jackson County.

He had an unbreakable will to succeed.

One part of the Thomas Hart Benton mural you saw when you walked in today depicts Hiram Young's contribution to Jackson County's trailblazing spirit. And just a little over a mile from here is the former

Young Elementary School, built in 1934 to honor one of Jackson County's most remarkable and important citizens.

Hiram Young knew at a young age that he had to take a stand to be successful.

One of my heroes, Jackie Robinson, knew that too. He said, "Life is not a spectator sport. If you're going to spend your whole life in the grandstand just watching what goes on, in my opinion you're wasting your life."

Like me, many of you in this room have left the grandstands with the goal of making a difference. As elected officials, as community leaders, or as engaged citizens, we do make a difference.

# **TAKING A STAND**

Jackson County is blessed to have two strong county leaders like Sheriff Mike Sharp and Prosecutor Jean Peters Baker to help lead the way.

We have made a difference, but we still have a long way to go.

Too many of our residents still experience some form of discrimination. We see it in housing, in employment, and even in the criminal justice system. We need to take a stand against discrimination of every type.

Too many of our sons and daughters, brothers and sisters, are dying needlessly before they can make a difference. We need to take a stand against violence and against all crimes.

Too many of our residents still struggle to find a job or to be paid a living wage when they find one. We need to take a stand against poverty.

We need to stay on the playing field. And we need to recruit more leaders who will come out of the grandstands to help us.

In this year's State of the Union, President Barack Obama encouraged us to act, and his message was: "To vote. To speak out. To stand up for others, especially the weak, especially the vulnerable, knowing that each of us is only here because somebody stood up for us."

Jackson County government must be committed to taking a stand and to backing that up with our words and our deeds. If we do that, our citizens will follow.

### **CREATING OPPORTUNITIES**

I was blessed to work under one of Kansas City's greatest entrepreneurs and philanthropists, Ewing Kaufmann. Mr. Kauffman was known not only as a brilliant businessman, but also as someone who was willing to lend a hand.

Mr. Kauffman once said, "I think the greatest satisfaction...is helping others, doing something that either inspires them or aids them to develop themselves, so they'll not only be a better person but be a better, productive citizen of the United States."

Jackson County has done its part to help others. Each year we fund dozens of agencies whose main goal is to lend a hand to those in need. In the 2016 budget, Jackson County Legislators appropriated over three and a half million dollars in funding for those agencies. They should be recognized for their efforts.

We are on the right track, but we can do better.

For every person we help find a job, for every family we help survive a tough winter, for every homeless veteran we help retrain, for every child we help with medical care, for every teenager we dissuade from a life of drugs or crime, we gain "better, productive citizens" of Jackson County.

It is our responsibility, as good stewards of the county, to improve lives and create opportunities.

### SOUND FINANCES

Let me be clear. Your Jackson County government can only make a positive difference if we are financially strong ourselves. The good news is that sound financial decisions, good management, and wise choices have left us in better shape than many other governments across this nation.

Much of that success can be directly attributed to the diligence and hard work of former County Executive Mike Sanders. Mike's focus on financial responsibility allowed the county to not only be fiscally sound, but also to work on major projects like the renovations of the Historic Truman Courthouse and Eastern Jackson County Courthouse.

The combined result is that county associates can better serve residents and our courts will be able to hear cases more quickly. As both Prosecutor and County Executive, Mike's service to Jackson County is much appreciated.

Now Jackson County is poised to move forward, ready to build on that strong foundation. We need to continue to focus on what is tried and true, what is best for the long haul, not the short term.

We will be bold, but prudent. To use a baseball analogy—because it is expected of me—we won't just swing wildly for the fences. We will advance the runner, or as the Royals would say, we will "keep the line moving."

# **FOCUS ON CORE SERVICES**

In short, Jackson County must do well what the county is supposed to do well. We must continue to place our emphasis on those services which are at the core of county government. The residents of Jackson County deserve nothing less.

That effort starts with making sure we have the best-trained, best-paid associates who are excited to do their jobs! Public service is a high honor, but it is often a difficult job. As County Executive I will continue to fight for better wages, better benefits and more opportunities for advancement for our associates.

Jackson County provides a lot of services for our residents. We assess property. We collect taxes. We manage the jail. We provide licenses and deeds. We maintain roads and bridges. We need to continue to improve our performance in all those areas—and we will.

# COUNTY'S CROWN JEWEL

I started today by talking about firsts. It is said that first impressions matter, and they do. The place where many of our residents get their first impression of Jackson County is in one of our parks. I have heard them described as the crown jewel of Jackson County.

We manage the third largest county parks system in the United States: three lakes, over 100 miles of trails, campgrounds, a public golf course, several historic sites, pocket parks located throughout Kansas City, and even some ball fields named after a former Royals player.

In other words, our parks offer something for every county resident to enjoy.

Our Parks + Rec events are some of the biggest in the region. Our Fourth of July event draws tens of thousands of people. Christmas in the Park is a regional attraction. People come to visit Fort Osage and Missouri Town 1855 for their historic festivals.

My point is that our parks can tie us together as a county. Our parks can be our unity.

Many of you know that I love to fish. Growing up in Kansas City, fishing was one of my favorite past times. But my family would never have thought of going to Lake Jacomo.

The city and the county were like two different worlds—separated not just by geography, but by attitude.

If I can accomplish one thing in my time as County Executive it will be to change that perception. To bring people who live in the western part of the county—in Kansas City—to the eastern part of the county. To encourage them to use our lakes and historic sites. And to bring people who live in the eastern part of the county— in Oak Grove, Independence and Lee's Summit—over to what Kansas City has to offer.

# 'JACKSON COUNTY JOURNEY'

Jackson County is rich in history. But it is also modern and forward thinking. And, it is a community! It is a place people want to be.

Today, I am ready to continue my journey. Call it my "Jackson County Journey."

The journey you saw in my introduction was just the beginning. I am here today to encourage all county residents to take this new journey with me. Together we can blaze some new trails and create some new history.

One of our nation's ultimate trailblazers, former astronaut Jim Lovell, said there are three kinds of people: People who make things happen, people who watch things happen, and people who say, "What happened?"

Join me, and let's go make things happen!

Thank you, and God Bless you.

# Jackson County, Missouri History

On December 15, 1826, the Missouri State Legislature authorized the "County of Jackson," named after the seventh president of the United States of America, Andrew Jackson. Two years later, the first courthouse was built in Independence by Daniel P. Lewis for \$150.

In 1836 the first permanent, brick Jackson County Courthouse was erected on Independence Square in Independence, the County Seat. That building, now commonly known as the "Truman Courthouse" has since undergone five major remodels.

In 1926, Harry S. Truman was elected Presiding Judge of Jackson County and was instrumental in voter approval of a major bond issue that made possible the adoption of a County "Ten Year Plan." The plan called for a new courthouse in downtown Kansas City plus remodeling of the Independence Courthouse, a juvenile center, improvements at the Jackson County home, and modernization of roads and bridges. This was the start of Harry Truman's political career where he went on to become a United States Senator, and then later became the 33<sup>rd</sup> President of the United States of America.

President Harry Truman left a decorating legacy behind him beyond bricks and mortar. In fact, his design savvy helped make Kansas City become known as the nation's top 10 city for art deco buildings. Truman traveled the country at his own expense to locate a design for the courthouse, which he found in Louisiana. The Jackson County Courthouse in downtown Kansas City still stands tall and remains a well-known landmark

Expansion of the courthouse in Independence was dedicated in September of 1933. Construction of the downtown courthouse began in July of 1933 and was dedicated in 1934, the same year that Truman left county government to become a U.S. Senator.

Jackson Countians then – as now – owe Truman much gratitude for his vision and successful execution of a multitude of decision that kept Jackson County at the forefront of forward-thinking county planning, civic up-building, good government, and welfare and healthcare issues. County Court minutes are full of details that tell the story of how Jackson County survived (and in some instances thrived) during the Great Depression of the 1930s.

Jackson County became a charter county in 1970 and is governed by an elected County Executive and an elected County Legislature.

# IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

AN ORDINANCE to adopt the annual budget and set forth appropriations for the various spending agencies and the principal subdivisions thereof, for the fiscal year ending December 31, 2016.

ORDINANCE NO. 4795, November 9, 2015

INTRODUCED BY Scott Burnett, County Legislator

BE IT ORDAINED by the County Legislature of Jackson County, Missouri, that the following amounts are appropriated for the fiscal year ending December 31, 2016, from the funds designated below for the spending agencies receiving funds therefrom:

APPROPRIATIONS	<b>AMOUNT</b>
General Fund	\$86,319,909
Health Fund	27,240,114
Park Fund	16,610,114
Special Road and Bridge Fund	28,656,460
Sewer Fund	64,151
Convention and Sports Complex Fund	6,700,000
Anti-Drug Sales Tax Fund	26,511,318
Law Enforcement Training Fund	46,508
911 System Fund	2,214232
Domestic Abuse Fund	140,798
Recorder's Technology Fund	138,531
Homeless Assistance Fund	308,698
Recorders Fees Fund	241,549
Assessment Fund	7,415,645
Collector's Maintenance Fund	951,423
County Urban Road System Fund	625,692
Public Building Corporation - Capital Projects Fund	2,533,022
Sports Complex Sales Tax Capital Projects Fund	25,800,000
Sports Complex/Park Debt Service Fund	3,377,000
Public Building Corporation-Debt Service Fund	1,939,250
Obligations to U.S. Government - Debt Service Fund	642,693
Sports Complex Sales Tax Debt Service Fund	46,534,050
Special Obligation Bonds - Debt	11,733,748
Park Enterprise Fund	7,175,407
20	\$303,920,312

Said funds are appropriated to each agency in accordance with the 2016 "Estimated Revenues, Recommended Appropriations, and Fund Balances - Fiscal Year 2016" as set out in the County Executive's 2016 Proposed Budget for Jackson County, in the detail and for the purposes contained and set forth therein, which is submitted to and approved by the Legislative and incorporated herein, as modified by the document attached hereto as "Exhibit A" and designated "2016 Budget Adjustments."

Effective Date: This Ordinance shall be effective immediately upon its signature by the County Executive.

APPROVED AS TO FORM:	10.0

# IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

AN ORDINANCE setting the 2016 Jackson County, Missouri tentative tax levy.

ORDINANCE NO. 4794, November 9, 2015

INTRODUCED BY Scott Burnett, County Legislator

WHEREAS, chapter 5, section 539.00 of the <u>Jackson County Code</u> requires the County Legislature to adopt a tentative tax levy sufficient to provide for appropriations in the County budget; and,

WHEREAS, the proposed 2016 annual County budget would require the following tax levies on each hundred dollars of assessed valuation for the fiscal year 2016:

FUND	LEVY
General Fund	\$0.2671
Health Fund	0.2283
Park Fund	0.1457
Special Road & Bridge Fund	0.2014
TOTAL ALL FUNDS	<u>\$0.8395</u>

and,

WHEREAS, pursuant to authorization granted by sections 67.500 through .545, RSMo, the qualified voters in Jackson County on November 6, 1979, approved Jackson County Proposition #1 which imposed a county-wide sales tax of one-half of one percent and required that the total county property tax levy be reduced by 70% of the total amount of

the sales tax revenues in the tax year; and,

WHEREAS, section 67.505, RSMo, requires that after the County has determined its budget, the total property tax levy must be reduced in an amount sufficient to decrease the total property taxes it will collect by an amount equal to 70% of the sales tax revenue in the same tax year; and,

WHEREAS, the tentative estimate of the sales tax revenues to be collected in 2016 is \$45,611,800.00 and,

WHEREAS, this tentative estimate is subject to revision based upon actual sales tax revenues during the first six months of 2016 and the permanent levy to be adopted in September 2016 will reflect actual sales tax revenues during the first six months of 2016; now therefore,

BE IT ORDAINED by the County Legislature of Jackson County, Missouri, that, based upon tentative estimates of the sales tax revenues in 2016 and based upon the appropriations in the 2016 annual county budget, the following amounts on each one hundred dollars of assessed valuation be set as the Jackson County tentative tax levy for the fiscal year 2016 on real and personal property within Jackson County, Missouri:

FUND	<u>LEVY</u>
General Fund	\$0.1356
Health Fund	0.1442
Park Fund	0.0839
Special Road & Bridge Fund	0.1319
TOTAL ALL FUNDS	<u>\$0.4956</u>

Effective Date: This ordinance shall be effective immediately upon its signature by the County Executive.

APPROVED AS TO FORM:	10 10
Chief Deputy County Counselor	County Counselor
I hereby certify that the attached Ordi November 9, 2015, was duly passed on the Jackson County Legislature. The votes the	nance, Ordinance No. 4794 introduced on, 2015 by nereon were as follows:
Yeas 9	Nays
Abstaining	Absent
This Ordinance is hereby transmitted to the C	ounty Executive for his signature.
12 · 7 · 15  Date	Mary Jo Spino Clerk of Legislature
I hereby approve the attached Ordinance No.	4794.
/2 - 8 - 15 Date	Michael D. Sanders, County Executive

### LISTING OF BUDGETED FUNDS AND THEIR PURPOSE

### General Fund

001 Used to account for all financial resources applicable to the general operations of County government, which are not accounted for in other funds. All general operation revenues, which are not restricted or designated as to use by outside sources, are recorded in the General Fund.

### **Special Revenue Funds**

**002 Health** is used to account for those resources allocated for use in operations pertaining to community health and welfare.

003 Park is used to account for the operation and maintenance of County owned parks and recreation facilities not considered part of the Park Enterprise Fund.

004 Special Road and Bridge is used to account for the maintenance and construction of County streets, roads and bridges, the design and coordination of countywide public works projects, and a portion of the County Sheriff.

*005 Sewer* is used to account for County provided sewer system service.

007 Convention/Sports Complex is used to account for the financing of maintenance, operation, and improvements of the Harry S. Truman Sports Complex.

008 Anti-Drug Sales Tax is used to account for the one-quarter of one percent County sales tax approved by the voters for the purpose of fighting the war on drugs.

011 Tax Increment Financing Special Allocation is used to account for the receipt and distribution of payments in lieu of taxes on tax increment financing projects.

### Special Revenue Funds (Cont'd)

028 Law Enforcement Training is used to account for certain ticket violation fees and to provide for law enforcement officer training.

029 Prosecuting Attorney Bad Check is used to account for bad check fees collected under RSMo 570.120 and 570.123.

031 911 System is used to account for the telephone system utilized in reporting police, fire, medical or other emergency situations.

**041 Domestic Abuse** is used to account for fees collected on marriages and dissolution of marriages and to provide funding to shelters for victims of domestic violence.

042 Recorder's Technology is used to collect fees pursuant to RSMO 59.800. A portion of the recording fee is to be used exclusively for the purchase, installation, upgrading, and maintenance of modern technology necessary to operate the Recorder's Office in an efficient manner as lined out in RSMO 59.319.

**043 Homeless Assistance** is used to account for a record-filing fee collected for the purpose of providing financial assistance to agencies that serve homeless families.

044 Recorders Fee is used to account for the collection, deposit, and distribution of a user fee for the purpose of record storage, microfilming, and preservation under RSMo 59.319.

**045** Assessment is used to account for the State assessment and equalization maintenance plan in accordance with RSMo 137.750.

**048** Sheriff Revolving is used to account for the fee charged to citizens wishing to obtain a conceal carry weapons permit.

049 Collector's Fee is used to account for the additional 1% penalty on taxes paid after December 31 of the tax year.

400 County Urban Road System is used to account for the repair and improvement of existing roads, streets, and bridges within the cities, towns, and villages of Jackson County funded through an amount not to exceed twenty-five percent of the Road and Bridge property tax levy.

### **Debt Service Funds**

### 021 General Debt and Interest

Used to account for the payments of principal and interest on all general obligation debt.

067 Sports Complex/Parks is used to account for the repayment of leasehold revenue bonds issued by the Jackson County Sports Authority.

069 Public Building Corporation Leasehold is used to account for the repayment of leasehold revenue bonds issued by the Public Building Corporation.

**070 US Government** is used to account for the repayment debt owed to the US Corp of Engineers for Blue Springs and Longview Lakes.

071 Jackson County Revenue Bond is used to account for the repayment of debt owed on improvements to the Truman Medical Center facilities.

072 Stadium Sales Tax Debt is used to account for the repayment of debt owed on improvements to the Truman Sports Complex facilities authorized by Ord. 3732.

073 Special Obligation Bond is used to account for the repayment of special obligation bonds issued by Jackson County.

### **Capital Project Funds**

*012 Criminal Justice Improvement* is used to account for construction of a County detention center annex and other related improvements.

014 Special Obligation Bond is used to account for the cost of acquisition, construction and improvements of facilities financed through the issuance of special obligation bonds.

### Capital Project Funds (Cont'd)

015 Public Building Corporation is used to account for the cost of acquisition, construction and improvements of County owned facilities financed through the issuance of leasehold revenue bonds.

016 Sports Complex/Parks is used to account for the cost of improvements of county owned facilities financed through the issuance of leasehold revenue bonds.

018 Truman Medical Center is used to account for the cost of improvements of the Truman Medical Center facilities.

019 Sports Complex Sales Tax is used to account for the cost of improvements of the Truman Sports facilities paid for by the 3/4 of a percent sales tax passed by the voters.

### **Enterprise Funds**

300 Park Enterprise is used to account for the revenues and expenses resulting from operation of the park enterprise activity.

### **NON-BUDGETED FUNDS**

Only appropriated funds will be deliberated in this document. The County maintains several other funds that are not required to be appropriated annually. These funds are disclosed here. More information about these funds can be found in the County's Annual Financial Statements known as the CAFR (Comprehensive Annual Financial Report).

### **Special Revenue Funds**

### 046 Asset and Bond Forfeiture

Used to account for the Prosecuting Attorney's portion of the bond forfeitures and the proceeds from the sale of confiscated property by various law enforcement entities within the county.

### 047 Federal Forfeiture

Used to account for the federal forfeiture and proceeds from the sale of confiscated property by various law enforcement entities.

### 010 Grant

Used to account for various federal, state, and local grants awarded to the County.

### 027 Persistent DWI Offender

Used to account for the receipt of court-ordered and other payments from driving while intoxicated (DWI) defendants prosecuted in State court as persistent DWI offenders.

### **Internal Service Funds**

### 060 Self Insurance

Used to account for the activity pertaining to the County's unemployment, workers' compensation, and general liability expenses.

### 080 Office Services

Used to account for the centralized activities of printing, duplication, and postage.

### FISCAL POLICIES

### Purpose:

Jackson County has an important responsibility to its citizens to carefully account for public funds, to manage municipal finances wisely and to plan the adequate funding of services and facilities desired and needed by the public.

Our purpose in establishing a formal set of fiscal policies is to ensure that the public's trust is upheld. By adopting a set of fiscal policies, the County will be establishing the framework under which it will conduct its fiscal affairs, ensuring that it is and will continue to be capable of funding and providing outstanding local government services.

# Our fiscal policy has specific objectives designed to ensure our continued fiscal well-being. These objectives are:

- A.) To protect the governing body's policy-making ability by ensuring that important policy decisions are not controlled by financial problems or emergencies.
- B.) To enhance the County's policy making ability by providing accurate information on program and operating costs.
- C.) To assist the sound management of the County government by providing accurate and timely information on current and anticipated financial conditions.
- D.) To provide sound principles to guide the important decisions of the County which have significant fiscal impact.
- E.) To set forth operational principles, which minimize the cost and financial risk of government consistent with the services, desired by the public.
- F.) To employ revenue policies, which prevent undue or unbalanced reliance on any one source which distribute the cost of services fairly, and which provide adequate funds to operate desired programs.

- G.) To provide and maintain essential public facilities, utilities, infrastructure and capital (physical) plant.
- H.) To protect and enhance the County's credit rating.
- I.) To ensure the legal use of all County funds through efficient systems of financial security and internal controls.

### I. Revenue Policy

- 1. A diversified and stable revenue system will be maintained to shelter the government from short run fluctuations in any one revenue source.
- 2. Each existing and potential revenue source will be re-examined annually to ensure that they are kept current.
- 3. One-time revenues will be used only for onetime expenditures. The County will avoid using temporary revenues to fund mainstream operational services.
- 4. All revenue forecasts shall be conservative.
- 5. All County funds shall be (a) safely invested, (b) with a sufficient level of liquidity to meet cash flow needs, and (c) invested at the maximum yield possible consistent with our debt policy. One hundred percent (100%) of all idle cash will be continuously invested.
- 6. All funds will develop and maintain a five percent (5%) cash flow reserve where practicable.

### **II. Operating Budget Policy**

1. The County shall maintain a balanced budget. This means that all operating expenses shall not exceed operating revenue in the recommended budget. Any one-time revenue source, such as under spending or fund balance, shall only be used for one-time expenses that do not add to the fixed operating cost.

### FISCAL POLICIES (Cont'd)

- 2. Regular reports comparing actual to budgeted expenditures are available to each department from the Financial Management System to keep them abreast of the County's expenditures.
- 3. Before the County undertakes any agreements that create fixed cost, the cost implications, both operating and capital, of such agreements will be fully determined for the current and future years.
- 4. Estimates of all non-salary benefits, such as social security, pension, and insurance, and their impact on future budgets shall be annually assessed.
- 5. Cost analysis of salary increases will include the effect of such increases on the County share of related fringe benefits.

### III. Capital Improvements

- 1. The County will determine and use the most effective and efficient method for financing all new capital projects.
- 2. The County will develop and maintain a five (5) year Capital Improvements Plan (CIP).

### IV. Accounting Policy

- 1. The County will maintain high standards of accounting by following Generally Accepted Accounting Principles (GAAP) in accordance with the standards developed by the Government Accounting Standards Board (GASB) and endorsed by the Government Finance Officer's Association (GFOA).
- 2. An independent annual audit will be performed by a public accounting firm who will issue an official opinion on the annual financial statements and a management letter detailing areas that need improvement.
- 3. Full disclosure will be provided in the financial statements and bond representations.

- 4. Financial systems will be maintained to monitor expenditures and revenues on a monthly basis, with a thorough analysis and adjustment.
- 5. The accounting system will provide monthly information about cash positions and investment performances.
- 6. The County will annually submit documentation to obtain the Certificate of Achievement for Excellence in Financial Reporting from the GFOA.

### V. Debt Policy

- 1. Capital projects, financed through bond proceeds, shall be financed for a period not to exceed the useful life of the project.
- 2. Long-term borrowing will be confined to capital improvements too large for current operating and one-time revenues.

# SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

The general purpose financial statements of the County are prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the County's significant accounting policies.

### Reporting Entity

As required by GAAP, the County's general purpose financial statements include the transactions of all funds and account groups of the County and its component units.

### **Basis of Presentation**

The accounts of the County are organized on the basis of funds and account groups, each of which is considered to be a separate accounting entity.

The operations of each fund are accounted for by providing a separate set of self-balancing accounts, which comprise its assets, liabilities, equities, revenues and expenditures or expenses. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the general purpose financial statements.

The following fund types and account groups are used by the County:

### **Governmental Fund Types**

Governmental Funds are those funds through which most governmental functions of the County are financed. The acquisition, use and balances of the County's expendable financial resources and the related liabilities (other than those in proprietary funds) are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position.

### Gov't Fund Types (Cont'd)

The following are the County's governmental fund types:

The General Fund is the principal fund of the County and accounts for all financial transactions not accounted for in other funds. The general operating expenditures, fixed charges and capital improvement costs that are not paid through other funds are financed through revenues received by the General Fund.

**Special Revenue Funds** are operating funds used to account for certain property taxes, grant funds and other special revenues legally restricted for specific purpose.

**Debt Service Funds** are used to account for the accumulation of resources for, and the payment of, principal, interest and other related costs of the County's general long-term debt.

Capital Project Funds are used to account for financial resources designated to construct general fixed assets which, by their nature, may require more than one budgetary cycle for completion.

### **Proprietary Fund Types**

**Proprietary Funds** are those in which the measurement focus is upon determination of net income. The County's proprietary funds include an Enterprise Fund and Internal Service Funds.

Enterprise Fund is used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the cost (expenses, including depreciation) of providing the goods or services to the general public on a continuing basis be financed or recovered through user charges, or where the periodic determination of net income is deemed appropriate.

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the County, on a cost-reimbursement basis.

### **Fiduciary Fund Types**

Fiduciary Funds are used to account for assets held by the County in a trustee capacity or as an agent for individuals, private organizations or other governmental units and/or other funds.

Expendable Trust and Agency Funds - Expendable Trust Funds are accounted for in essentially the same manner as Governmental Funds. Agency Funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

Nonexpendable and Pension Trust Funds are accounted for in essentially the same manner as Proprietary Funds.

### **Account Groups**

Account Groups are used to establish accounting control and accountability for the County's general assets and the unmatured principal of its general long-term debt.

General Fixed Assets Account Group is used to account for the County's fixed assets, except infrastructure assets which are not capitalized, other than those accounted for in the Proprietary Funds or Nonexpendable Trust Fund.

General Long-term Debt Account Group is used to account for the unmatured general long-term debt except for that debt accounted for in the Proprietary Funds.

### **Basis of Accounting**

Basis of accounting refers to when revenues, expenses, transfers and the related assets and liabilities are recognized in the accounts and reported in the general purpose financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All Governmental, Expendable Trust and Agency Funds utilize the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when

### Basis of Accounting (Cont'd)

susceptible to accrual (e.g., when they become both measurable and available). Measurable means the amount of the transaction that can be determined and available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Application of the "susceptibility to accrual" criteria requires judgement, consideration of the materiality of the item in question, and due regard for the practicality of accrual, as well as consistency in application.

Significant revenues, which are considered susceptible to accrual, include property, sales and other related taxes, interest and certain State and Federal grants and entitlements. Certain revenues, which are measurable and susceptible to accrual, but not yet available, are reported as deferred revenue and recognized as revenue when collected. Licenses and permits, fines and forfeitures, and miscellaneous revenues are recorded as revenues when received in cash because they are not measurable until actually received.

Under the modified accrual basis of accounting, expenditures are recognized in the accounting period in which the related fund liability is incurred except for interest on long-term debt, which is recognized when due, and prepaid expenses, which are not recorded. Encumbrances are not recognized as expenditures; however, open encumbrances are reported as reservations of fund balance since the commitments will be honored in subsequent years.

The accrual basis of accounting is utilized by the Enterprise Fund, the Internal Service Funds, the Nonexpendable Trust Fund and the Pension Trust Fund. Under this basis of accounting, revenues are recognized when earned and expenses are recorded when liabilities are incurred.

If recommended by management and approved by ordinance, the budget can be amended to make supplemental or emergency appropriations. Budgetary transfers of less than \$10,000 between two departments within a division require the approval of the Budget Officer and the County Executive. The County Legislature must approve transfers greater than \$10,000 between departments and all transfers between divisions.

### Basis of Accounting (Cont'd)

Unencumbered appropriations lapse at the end of the fiscal year. Appropriations in the Governmental Fund Types are charged as encumbrances when commitments are made. Fund balances are reserved for outstanding encumbrances, which serve as authorization for expenditures in the subsequent year.

Under County law, budgetary control is exercised at the departmental level; this is the level on which expenditures may not exceed appropriations. Under state law, control of budget appropriations is exercised at the fund level.

### THE BUDGET CYCLE

An annual budget prepared under the modified accrual basis of accounting (except that the encumbrances are treated as expenditures for budget purposes) is adopted in December prior to the beginning of each fiscal year for all budgeted Governmental Fund Types.

Pursuant to the Jackson County Code, Chapter Five, the County Executive must submit a balanced recommended budget to the County Legislature no later than November 15<sup>th</sup> every year. The budget must include a complete financial plan for all County funds and activities subject to appropriation, including proposed tax rates, an estimate of all income and revenue and all proposed expenditures for current operations, debt service, and capital expenses.

The annual budget document does not contemplate grants for appropriation. These are done as the grants are awarded on a case by case basis with no expectation of a grant continuing beyond the current year.

The County Executive submits the recommended budget to the Legislature in accordance with County Code. The budget document must include: a budget message outlining the fiscal policy of the government; a detailed budget estimate of revenues and expenditures by fund; and Appropriation and Tax Levy Ordinances.

The County performs the following procedures for establishing the budget:

### May-July

### **Budget Package Preparation**

Each year, the budget staff gathers all of the necessary information for the Departments to begin their budget request. This information includes an analysis of the previous three years spending, a detail of each budgeted employee and their associated costs, the formatted budget sheets for each line item, a Departmental Overview with current goals, objectives, performance measures, and all necessary fiscal information.

### June-August

### **Department Budget Request**

Once the budget packages are assembled and delivered, the Departments then begin the task of quantifying their budget needs for the upcoming fiscal year. Departments should start by reviewing their goals and objectives and updating them where needed. The Departments then begin to assemble the information necessary to make their budget request and have the entire package submitted back to the budget staff by August 15<sup>th</sup>.

### August

### **Department Budget Request Review**

Once the budget requests are submitted, the budget staff begins to review the request and compile a preliminary budget based on request.

### September

### **Informal Department Budget Hearings**

The budget staff along with other members of the Administration and the Legislature will request a meeting with each Department to go over the request and have any questions about the request answered. These hearings are a time for the Departments to provide information necessary for the staff to make quality recommendations to the Chief Administrative Officer (CAO) and the County Executive.

### October

### **Executive Budget Review**

Once the budget staff has made recommendations to the CAO, the departments are given one more opportunity to discuss their request and the budget staff's recommendation. Once these hearings have occurred, the budget staff will complete the recommended budget per the revisions the CAO requested. The CAO will then present the Adminstration's budget to the County Executive for their review and comment.

### November

### Recommended Budget Submitted

The County Executive will present the recommended budget to the Jackson County Legislature on or before November 15.

### December

### Legislative Review, Public Comment, and Adoption

The Legislature will begin their review of the budget and hold hearings with departments as necessary. Before the Legislature can adopt the budget, they are required to hold a public hearing. The Clerk of the Legislature will post this as required by law. The Legislature must approve the budget no later than December 31 unless it is an election year for both the Legislature and the County Executive.

Once the Legislature has adopted the budget, the County Executive has 15 days to accept, deny or let the budget go into effect without comment. The County Executive has line-item veto power that the Legislature can overrule with a majority vote.

### BUDGET/ MANAGEMENT POLICIES

### Purpose

Our purpose in establishing a formal set of budget policies is to ensure that the public's trust is upheld. These policies will serve as a blueprint to achieve fiscal stability required to accomplish the County's policy goals and objectives.

## Relationship to Overall County Goals and Objectives

The County will develop a mission statement, strategic plan, and conforming goals for the successful development and maintenance of our financial management policy. The finances of the County should be the vehicle by which the goals and objectives are obtained, not driven. This philosophy will help ensure that the County remains financially viable well into the future.

In addition, the County as an institution has multiple partners including citizens, taxpayers, businesses, employees, and other governments. As a major institutional, economic and service force in the region, it is important that the County strengthen its relationships with its partners by adopting clear and comprehensive financial policies.

### **Objectives**

- To guide in policy decisions which have a significant fiscal impact
- To set forth operating principles which minimize the cost of government and reduces financial risk
- To employ balanced and fair revenue policies which provide adequate funding for desired programs
- To maintain appropriate financial capacity for present and future needs
- To promote sound financial management by providing accurate and timely information on financial conditions
- To protect and enhance the County's credit rating and prevent any default on any debt
- To ensure the legal use of financial resources through an effective system of internal controls
- To promote cooperation with other governments and the private sector in the financing and delivery of services

### **Budget Policy**

This policy complies with the Local Budget Law of Missouri as outlined in Chapter 50 RSMo, and for the preparation, recommendation, consideration, adoption, execution, and audit of Jackson County's annual budget.

### SCOPE:

This policy applies to all departments, agencies or divisions within Jackson County.

### Guideline:

Annually, the Jackson County Legislature has the authority and the responsibility to adopt the County Executive's recommended budget approving the use of public funds for the operation of all County activities. Jackson County's fiscal year runs from January first through December thirty-first.

### Preparation:

The County Executive shall present a recommended budget for the Jackson County Legislature's consideration no later than November 15<sup>th</sup> each year.

### **Balanced Budget:**

The County Executive shall present a balanced budget. This means that all operating expenses shall not exceed operating revenue in the recommended budget. Any one-time revenue source, such as under spending or fund balance, shall only be used for one-time expenses that do not add to the fixed operating cost.

### Contingencies:

RSMo 50.540.4 mandates that the County shall provide in its appropriation order, that an amount equal to not less than three (3) percent of the total estimated General Fund Revenues for an operating contingency shall be appropriated each year as an emergency fund. The County Executive has voluntarily added this requirement to all other major funds and special revenue funds that may have a use for a contingency.

### **Fund Balance:**

The recommended budget was developed with the idea of creating a cash flow reserve as a designation within fund balance to begin to rebuild necessary cash flows for operations within all major funds. The County goal is to have a 5% cash flow reserve for all major funds utilizing the Government

### **Budget Policy (Cont'd)**

Finance Officers Association (GFOA) recommended standards.

### Capital Improvement Budget and Five Year Plan:

The County Administration developed with the Jackson County Legislature an initial five-year Capital Improvement Plan (CIP) to determine what the true capital needs of the organization are today and into the future. The CIP shall be adequate to maintain capital assets at a level sufficient to protect infrastructure and minimize future maintenance and replacement costs. The CIP, once adopted, will be reviewed and updated annually prior to the adoption of the annual budget. The CIP plan will identify ongoing operating requirements associated with each capital project. If a capital request is approved during the budget process the operating budget will reside in the appropriate department assigned to oversee the project, e.g. facilities for buildings, fixtures, furniture, IT solutions, fleet replacement, etc. Capital project budgets will include all expenses associated with the completion of the project.

### **Position Control:**

The recommended budget shall include a total number of recommended permanent full-time equivalent (FTE) positions by classification. Grant-related positions which do not require County matching dollars will be approved by the Jackson County Legislature.

### Revenues:

The recommended budget shall include revenue and resource estimates that balance with the recommended appropriations. The revenues of Jackson County are more fully discussed in the Revenue analysis section of the budget book.

### **Legislative Consideration and Adoption:**

The Jackson County Legislature approves the budgeted level of expenditures by fund and department. At any point prior to adoption, the Legislature may revise the recommended budget pursuant to County and State Law.

### **Budget Configuration:**

The Jackson County budget is adopted on a basis consistent with General Accepted Accounting Principles (GAAP). For further discussion of this topic, please review the Fiscal Policies and Summary of Significant Accounting Principles located within this section of the budget document.

# JACKSON COUNTY CHART OF ACCOUNTS

# **Description of the Budget**

There are two (2) ways the budget is delivered in Jackson County:

- 1. By Fund Each Department's budget is displayed by each Fund.
- 2. By Department Each Department's budget is broken down by line item.

#### A. FUND

Each Fund has its own three (3) digit number.

The County's budget is made up of the following funds:

GEN	ERAL FUND:	SPE	CIAL REVENUE FUNDS (Cont'd)
001	General	049	Collector's Maintenance
	100	400	County Urban Road System
SPEC	CIAL REVENUE FUNDS:		
002	Health	CAP	ITAL PROJECT FUNDS:
003	Park	012	Criminal Justice Improvement
004	Special Road and Bridge	014	Special Obligation Bonds
005	Sewer	015	Public Building Corp
007	Convention and Sports	016	Sports Complex/Parks
800	Anti-Drug Sales Tax	018	Truman Medical Center
011	Tax Increment Financing	019	Sports Complex Sales Tax
021	General Debt and Interest		
027	Persistent DWI	DEB	T SERVICE FUNDS:
028	Law Enforcement Training	067	Sports Complex/Parks
029	Pros. Atty Bad Check	069	Public Building Corp
031	E-911 System	070	Obligations to US Gov't
041	Domestic Abuse	071	J.C. Revenue Bonds
042	Recorder's Technology	073	Special Obligation Bond
043	Homeless Assistance		
044	Recorder's Fee	ENT	ERPRISE FUND:
045	Assessment	300	Park Enterprise
048	Sheriff Revolving	200	TO THE THE PARTY OF THE PARTY O

## B. DEPARTMENTS

Department names are the account name we use everyday such as "Administration", "Records", etc. All departments roll up into a Division/Agency. Each Department has its own Four (4) digit number. The County's budget is made up of the following departments (Division/Agency name is in bold):

County Legislature	0112 Legislature as a Whole
Legislative Districts:	0201 Clerk of the Legislature
0101 Leg. District #1 At Large	0301 Legislative Auditor
0102 Leg. District #2 At Large	7001 Housing Resource Commission
0103 Leg. District #3 At Large	1000
0104 Legislative District #1	<b>County Administration</b>
0105 Legislative District #2	1001 County Administration
0106 Legislative District #3	
0107 Legislative District #4	<b>County Counselor</b>
0108 Legislative District #5	1101 County Counselor
0109 Legislative District #6	•

# Glossary

Many times the budget can seem to be a very complicated document. Here is a list of some of the terms used in this document. As you are using this document, should you come across a word you do not understand please email us at <a href="mailto:finance@jacksongov.org">finance@jacksongov.org</a> so that we may include that word in next year's glossary.

## **Account Number:**

A numerical code identifying revenues and expenditures by fund, department, and object.

# **Actual Revenue or Expenditures:**

The revenue and expenditures incurred in previous fiscal years.

# **Adopted Budget:**

The budget as approved by the Legislature. This is the spending authorization for the county.

# Ad valorem taxes:

Commonly referred to as property taxes levied on both real and personal property according to the property's value and the tax rate where the property is owned.

## Appropriation:

Legal authorization granted by the Jackson County Legislature permitting the County to incur obligations and to make expenditures for specific purposes.

#### **Assessed Valuation:**

Value that is established for real and personal property for use as a basis for levying ad valorem taxes. The assessed valuation for residential property in Jackson County is 19% of fair market value, commercial property is 32%, and agricultural property is 12%.

#### Assets:

Resources owned or held by the County having monetary value.

#### **Basis of Accounting:**

A term referring to when revenue, expenditures, expenses and transfers and the related assets and liabilities are recognized in the accounts and reported in the financial statements.

# **Beginning Fund Balance:**

Fund balance available in a fund from the end of the prior year, for use in the following year.

## Bond:

A Written promise to pay a sum of money on a specific date at a specific interest rate for large capital projects.

## **Bond Rating:**

A current opinion of the creditworthiness of an obligor with respect to a specific financial obligation, a specific class of financial obligations, or a specific financial program. It takes into consideration the creditworthiness of guarantors, insurers, or other forms of credit enhancement on the obligation.

# **Budget:**

A multiple function document, used as a policy tool, a financial plan, an operations guide, and a communication device, embodying an estimate of proposed revenues and expenditures for the upcoming calendar year. The term may be used interchangeably to describe the entire budget, e.g. "Jackson County Budget", or it may apply to a specific plan e.g. "Public Works Budget."

# **Budget Amendment:**

An increase in the published budget expenditure authority at the fund level for a given year's published budget.

## **Budget Adjustment:**

A change in the budgeted expenditure authority for any County agency or department that does not result in an increase in the published budget authority of any fund.

## **Budget Calendar:**

The schedule for completion of the various phases in the preparation and adoption of the annual budget.

## **Budgetary Control:**

Management of the County in accordance with the approved budget for keeping expenditures within the limitations of available appropriations and available revenues.

# **Budget Document:**

The instrument used by the budget making authority to present a comprehensive financial program and analysis to the County Legislature.

# **Budget Message:**

The opening section of the budget which provides a general summary of the most important aspects of the budget, changes from previous years, and the recommendations of the County Executive.

#### Capital Asset:

An expenditure for an item with a value of \$5,000 or more and an expected life of more than one (1) year. Capital items include real property, office equipment, furnishings, vehicles, and road improvements.

# **Capital Outlay:**

Expenditures resulting in the acquisition of, or addition to, fixed assets.

# Capital Projects Fund:

Used to account for the acquisition and construction of major capital equipment and facilities other than those financed by property funds and trust funds.

# **Chart of Accounts:**

A listing of all County funds, departments, agencies, and all revenue and expenditure accounts.

# Consumer Price Index (CPI)

Prices paid by urban consumers for a representative basket of goods and services.

# **Contractual Services:**

Services rendered to the County by private firms, individuals, or other governmental agencies. Examples are utilities, rent, food for the jail, professional consulting services.

# **Debt Service Fund:**

Used to account for the accumulation of resources and payment of principal and interest related to the County's general long-term debt and special assessment bond principal and interest from special assessment levies when the County is obligated in some manner for payment.

## Department:

The primary unit in Jackson County. Each unit is managed by a Department director. Departments are generally composed of divisions and programs which share a common purpose or which perform similar duties.

# Encumbrance:

The commitment of appropriated funds to purchase an item or service prior to actual payment. To encumber funds means to set aside or commit funds for a specified future expenditure. Funds are generally encumbered once a contractual obligation has been entered.

#### **Enterprise Fund:**

An accounting fund in which services provided are financed and operated similar to those of a private business. The idea is that the cost of running the program will be supported by user fees rather than taxes.

#### **Estimated Revenue:**

The estimated budget revenue for the new fiscal year.

#### **Expenditure:**

An obligation in which the County must pay for services, or supplies, capital outlay, labor cost, or any other cost associated with running the government.

#### Fees:

A general term used for any charge levied by government associated with providing a service, permitting an activity or imposing a fine or penalty. Major types of fees include business and non-business licenses, fines and user charges.

## Fiscal Period:

Any period at the end of which a government determines its financial position and the results of its operations.

# Fiscal Year:

The twelve month period on which Jackson County operated its financial affairs. For Jackson County, this is January 1 through December 31.

# **Fringe Benefits:**

Include Jackson County's contribution to: Social Security and Medicare (FICA), the employee's pension plan, unemployment compensation, workers compensation, long term disability insurance, and health insurance.

# **Fixed Assets**

An expenditure for an item with a value of \$5,000 or more and an expected life of more than one (1) year. Capital items include real property, office equipment, furnishings, vehicles, and road improvements.

# Fund:

An accounting entity which has a set of self-balancing accounts and which records all financial transactions for specific activities.

# Fund Balance:

The excess of assets over liabilities. For purposes of the budget, only unrestricted, undesignated fund balance is considered. This is the sum total of all monies in a given fund that have no legal restriction on its usage.

# **Generally Accepted Accounting Principles (GAAP):**

Uniform minimum standards and guidelines for financial accounting and reporting. They govern the form and content of the financial statements of an entity. GAAP encompass the practice at a particular time; they include not only broad guidelines of general application, but also detailed practices and procedures. GAAP provide a standard by which to measure financial presentations. The primary authoritative body on the application of GAAP to State and Local governments is the Governmental Accounting Standards Board (GASB).

# General Fund:

Used to account for resources generally associated with governments, except those required to be accounted for in another fund either legally or by sound financial management.

#### Grants:

Gifts of money from another government or a private source which must be spent in accordance with the stated program or purpose.

# **Home Rule Charter:**

Provides for a separation of the legislative and executive functions. The heart of the Charter is a strong executive, accountable to all the voters, who has power to appoint the administrative officers of its government, the power to veto legislation, and both the responsibility and the means at hand with which to operate an effective, efficient county government. The legislature is given broad legislative powers and is so constructed as to be truly representative of all of the people of Jackson County.

# Intergovernmental Revenue:

Revenue collected and reimbursed by other governments, primarily the State and Federal governments.

# Levy:

To impose taxes for the support of County government.

# Liability:

Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded at some future date..

## Line Item:

A specific expenditure category within an agency or department budget. Examples are postage, paper supplies, rent, regular full time salaries, etc.

# **Long Term Debt:**

Debt with a maturity of more than one year after the date of issuance.

#### Mil:

The ad valorem tax rate which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of assessed property valuation.

#### Mil Levy Rollback:

Policy that reduces the mill levy tax rate by the amount necessary to offset valuation increases of property that is greater than the percentage of CPI or 5%, whichever is less.

# **Operating Budget:**

Plans of current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing, acquisition, spending and service delivery activities of a government are controlled.

# **Operating Expenses/Expenditures:**

The annual budget which provides a financial plan for the operation of government and the provision of services for the year.

#### Ordinance:

A formal legislative enactment by the County Legislature.

## **Personal Services:**

Expenditures for salaries, wages, and fringe benefits for County employees.

# **Personal Property:**

Property, other than real estate, identified for purposes of taxation including personally owned items as well as corporate and business equipment and property. Examples are automobiles, airplanes, boats, trailers, manufacturing equipment, etc.

# Projected Expenditures and Revenues:

The projected expenditures and revenues that are anticipated by the close of the current budget year.

## **Property Tax:**

See Ad valorem taxes.

# **Recommended Budget:**

The budget submitted by the County Executive for the County Legislature's consideration.

#### Revenue:

Monies which the County receives as income.

# Special Revenue Fund:

Used to account for taxes or other earmarked revenue of the County which finance specified activities as required by law or administrative action. An example of a special revenue fund is the Health Fund.

#### Supplies:

Commodities that are consumable or have a short life span. Examples are office supplies, gasoline, asphalt, tires, plumbing supplies, etc.

#### Taxes:

Compulsory charges levied by a government to finance services performed for the common benefit.

#### Transfer:

Movement of money from on account to another.

#### **Three Percent State Mandated Contingency:**

RSMo 50.540.4 mandates that the County shall provide in its appropriation order, that an amount equal to not less than three (3) percent of the total estimated General Fund Revenues for an operating contingency shall be appropriated each year as an emergency fund. The County Executive has voluntarily added this requirement to all other major funds and special revenue funds that may have a use for a contingency.

# User Charge:

The payment of a fee for a direct receipt of a public service by the party benefiting from the service.
