RE: Transmittal Letter for FY 2021 Jackson County Annual Budget

I am pleased to transmit to you the proposed Jackson County operating budget for the 2021 fiscal year. This submitted budget totals \$341,656,611 which is a decrease of \$19.04 million or 5.3% less than the adopted FY 2020 budget. This new budget continues current county operations while being negatively impacted by the current state of the economy brought on by the COVID-19 pandemic. Sales taxes are projected to be down by 4.5% over FY 2019 actuals and property taxes in the General Fund are down reflecting the voluntary rollback of property tax rates to 2019 levels which occurred in late September of 2020.

Given the fiscal constraints brought about by the COVID-19 pandemic, this budget continues to make real progress on several long-standing goals of the County Executive and County Legislature and how those goals are moved forward with this budget submittal.

Associate Compensation is Critical to the Future Success of Jackson County

For too many years, Jackson County had some of the lowest rates of pay for governments in the metropolitan area. It was not all that uncommon for some of our lowest paid associates to be eligible for financial assistance from state and federal governments. In 2020, this changed with the adoption and implementation of the Evergreen Compensation Study which sought to increase County associate pay to market levels and keep them there.

This budget seeks to continue to address County associate compensation by implementing the second year of the Evergreen Compensation Study. The 2021 budget incorporates \$2.3 million in planned additional compensation affecting nearly 800 associates. In the General Fund a total of \$500,190 is allocated for year 2 of the Evergreen Compensation Study. This funding will support the additional salary costs incurred by the smaller offices of the County. All the larger departments will be asked to absorb the additional salary costs within their existing budget by capturing salary savings that occurs due to vacancies and routine turnover of positions. The County minimum wage will also move to \$13.75 per hour in 2021. As a result of this major investment, the average County associate who

receives a compensation study adjustment will receive a 7.7% increase in average compensation or \$3100 per person in 2021. This budget also adjusts the pay scales of the case workers in the Public Administrator's Office and appraisers in the Assessment Office to match the salary ranges offered in Johnson County. It is hoped that this change will make it easier to recruit trained staff into these departments and slow turnover as talented associates use Jackson County as their training ground and then move to greener pastures.

This budget also provides a 2 percent merit increase for all associates not receiving a compensation study pay adjustment. These merit increases will be provided on the associate anniversary or start date with the County. This will ensure that all County associates receive some form of compensation adjustment in 2021. The cost of this adjustment is less than 1% of total regular salaries and all departments will be asked to absorb this increase within their current budgeted resources.

Health insurance costs increase 8.3% or over \$800,000 from FY 2020 levels with only a 5% increase budgeted in each of the departments. All associates will be required to contribute at least 10% of their health insurance costs for single associates and up to 20% for those associates enrolled in family health insurance plans. As open enrollment is currently underway, total costs are unknown, but it is anticipated that the current personal services budget for every department will absorb this incremental unbudgeted amount.

Associate pension costs are expected to decline slightly in 2021 from 13.35% of pay in 2020 to 13.18% of pay as the actuarial value of the County's pension system improves slightly.

One thing to be mindful of as we continue to make critical investments in County staff is the fiscal impact of our total compensation plan. The total cost of market rate salaries and above market health and retirement plans will continue to put pressure on this and future budgets. The County will need to be very judicious in the use of personnel to meet current and future County service demands. Investments in technology and other workforce multipliers will need to be considered if the County is to maintain a structurally balanced budget for the foreseeable future.

Continued Investments in Technology is Also Critical

As mentioned above, investing in technological improvements will be critical for the County to pursue as the cost of personnel continue to rise. Recent modest investments in systems like the Pay-It automated payment system, and Q-Less, which helps the County better manage waiting time for people who need to deal directly with County staff will help greatly.

This budget also adds \$176,196 for the second-year lease of all desktop and laptop computers. This four year program, if fully funded in the future, will allow the County to systematically replace and upgrade all County personal computers to ensure that our equipment can work with the latest software and provide the greatest protection from potential cybersecurity threats.

Recent Legislative approval of \$17.8 million for a new assessment and real estate management system along with a parcel by parcel reappraisal of all real property in the County has the potential to be transformative in improving County services while making it easier for taxpayers to interact with the County on their biennial property reassessment. This budget adds \$915,000 to the Assessment budget

out of the Assessment fund to ensure that any incidental costs associated with the system implementation are covered. It also provides the funding should we be presented with the opportunity to hire additional appraisal staff.

The County not only needs to invest in the assessment system but also begin a systematic replacement of our other large legacy systems that are obsolete which gives us with the opportunity to streamline and automate other processes throughout the County. Based on conversations with various county staff, we present to you the following list of critical systems that need to be replaced over the next few years. The systems that need to be replaced are as follows:

- 1. Replacement of Tax Collection System (Ascend) and integrate it into new Assessment software (FY 2021);
- 2. Replacement of Jail Management System in time to incorporate into new facility (FY 2022);
- 3. Replacement of Sheriff's Record Management and Computerized Dispatch systems (FY2023); and
- 4. Replacement of County financial management and human resources systems (FMS and Paycor) (FY 2024).

Given the complexity and scale of these systems it is anticipated that only one of these systems can be replaced every year. Additional staff work will need to be done to finalize the scope of these systems, identify potential vendors, and refine the cost. It is anticipated that a request will be made to utilize future County Improvement Funds for all or a part of these costs.

Routine Fleet Management is Critical to Effective County Operations

Jackson County has not adequately invested in fleet replacement and the age and condition of our equipment is now creating budgetary pressure to maintain this aging equipment. This proposed budget begins to significantly increase funding for equipment replacement.

A total of \$665,890 is provided for the Department of Public Works out of Road and Bridge tax funds to fully fund a systematic replacement of its fleet. Public Works staff should be commended for also identifying nearly 40% of their existing equipment that is no longer needed and can be eliminated. This smaller, more effective fleet will generate significant budgetary savings for years to come.

A total of \$800,000 is provided to the Sheriff's Office for fleet replacement from Road and Bridge funds. This is short of the estimated \$1 million needed to replace their fleet of 100 vehicles on a five-year basis. We are recommending that the Sheriff's Office use idle funds in their forfeiture and revolving funds to supplement the money that the County can provide from Road and Bridge funds.

\$450,000 is provided from the Parks fund to begin a systematic fleet replacement system for all Parks vehicles. Like the effort undertaken by Public Works, the Parks Department will be asked to review their long-term equipment needs to determine if the current Parks fleet can be downsized thereby reducing the long-term cost associated with fleet replacement.

\$100,000 is provided to the Assessment Department out of Assessment funds to begin a fleet for that department. For years, Assessment staff has relied on old County vehicles that were not needed by other departments or the use of private vehicles to accomplish their required field tasks. This funding

should allow the purchase of four small sedans that would help professionalize the field work and end the reliance on County associates to use their personal vehicles to get the work of Assessment done.

Staff work in 2021 will also focus on the possibility of creating a centralized fleet maintenance program that could generate cost savings for the County. Currently each department is responsible for its own fleet maintenance needs using various term and supply vendors. It may be possible to bring fleet maintenance in-house to reduce total cost to the County.

Continued Investment in County Facilities and Operations through the County Improvement Fund.

This budget provides \$15.5 million in 2021 for a County Improvement Fund that is funded through the General Fund. This is \$4 million less than the adopted FY 2020 budget of \$19.5 million. The reduction is attributable to the loss of property tax revenues due to the voluntary rollback. In addition, \$2.6 million in savings from the lack of election costs in 2021 are added back to maximize the amount of money available.

It is proposed that the following projects be funded from the County Improvement Fund in 2021:

| Project | Amount Needed | |
|--|---------------|------------|
| Replace roof at Jackson County Election Board | \$ | 80,000 |
| Security Camera upgrade for downtown courthouse | \$ | 350,000 |
| Parks Projects (2 spillways & sewage treatment) | \$ | 600,000 |
| Tarsney Lake Bridge Replacement (in lieu of Road & Bridge) | \$ | 750,000 |
| Downtown Courthouse Fire Safety System | \$ | 1,500,000 |
| Downtown Courthouse Security Improvements* | \$ | 1,500,000 |
| Downtown Courthouse Jury Room Relocation | \$ | 1,800,000 |
| Replace current tax collection system | \$ | 1,820,000 |
| Windsor Subdivisions Pavement Repair | \$ | 2,100,000 |
| Purchase of Land for Jail | \$ | 5,000,000 |
| Total: | \$ | 15,500,000 |

Notes:

Two road and bridge related projects (Tarsney Lake bridge and the Windsor subdivision road repairs) are recommended for funding from County Improvement Funds in 2021 due to the lack of funding available in the Road and Bridge Fund.

It should be noted that because of the structural budget problems within the General Fund, a total of \$10.28 million in prior year funds are used to support this \$15.5 million appropriation for FY 2021. We must be vigilant to keep that fund at the maximum sustainable levels so that we can continue to make needed reinvestments.

^{*} Undefined project at this point,

Applying Best Practices to County Budget Development

This budget seeks to apply principles of zero-based and activity-based budgeting to increase transparency and simplify understanding of the County budget. All departments went through a zero-based budget review seeking justification of every dollar proposed to be expended on contracts, supplies and capital outlay for the upcoming year. Many new expenditure object codes were created to better explain planned expenditures and provide better accounting of County expenditures. Funding previously allocated to object codes such as Other Professional Services or Other Contractual Services were reallocated to more appropriate codes. In nearly all cases, these broad, generic object codes are not used for budget purposes in 2021.

This budget allocates software costs previously allocated centrally in Information Technology out to the various departments who use the software. In addition, with the elimination of nearly all auto allowances in 2020, this budget reflects only the funds needed for actual mileage reimbursement for County associates.

Several new account codes were also established to break out specific programs from larger holding accounts. This is an effort to increase transparency and better explain how the money is proposed to be spent. Further work will be done in this area in future budgets to break out programs or services from other programs including the development and assignment of performance metrics for those programs.

This budget also continues the work started in previous years to eliminate budgets in non-departmental accounts. In FY 2021, there are no budgeted funds in any non-departmental accounts. This will increase accountability and transparency and reflects full implementation of a best practice standard for governmental budgeting.

The budget also proposes to eliminate the use of several funds that were previously used to account for revenues or expenditures. The Special Revenue Fund known as the Emergency Services and Public Safety Fund (No. 039) was previously used to account for revenues from the 3% surcharge on prepaid wireless services. These revenues will now be deposited directly into the 911 Fund (No. 031) where they will be used to support operations of the 911 system in the County. The Debt Service Fund known as the Obligations to U.S. Government (No. 070) is also eliminated for FY 2021. This fund was used to record the expense associated with the long-term lease payments to the Corps of Engineers for Longview Lake and Blue Springs Lake. Going forward these expenditures will be expensed directly from the Parks Fund.

Other Important Changes in the FY2021 Budget

911

With the recent passage of Question 1 that allows Jackson County to establish a \$1 per month
per phone fee on all phone service, the County's 911 fund should be fully fee-supported in 2021.
This saves the General Fund \$480,000 in 2021 and it is hoped that these new revenues will be
sufficient to repay the \$800,000 needed from the General Fund to keep the 911 fund balanced
for FY 2020.

Animal Control/Shelter

• This budget partially anticipates the sale of the Jackson County animal shelter to the City of Independence. Funding of \$100,000 for contract animal control services with Independence are included as well as animal sheltering services of \$150,000 for approximately 200 animals held for an average of 30 days. This budget also includes the debt service for the animal shelter at \$346,771 should the sale not be consummated. \$25,000 is also provided should there be a need for livestock to need animal care by the County. All expenses are budgeted in the Health Fund. Once a decision is made on the sale, the budget can be amended to eliminate the debt service cost or the animal sheltering cost.

Assessment

\$100,000 is added to the Communications Budget in the Assessment Fund for the purpose of
doing public outreach and education as the Assessment Department begins implementation of
its new assessment system. The goal of these funds will be to better explain the process of how
property values are developed and increase communication with the public prior to the biennial
reassessment.

Board of Equalization

 One new management position is added to the Board of Equalization at a first-year cost of \$60,000 bringing total permanent full-time staffing in that group to 3 persons. It is our firm belief that the new assessment system will inevitably bring more appeals as property valuations approach 90% of market value. Additional staff will be needed to better manage the larger number of appeals that should be anticipated for a County with nearly 300,000 parcels of real property.

Collections

• An additional position is added in Collections to create a Research Analyst position to perform data analytics on current collections to determine if process changes can improve or change the efficiency by which property taxes are billed and collected.

Corrections

• Mental health services for inmates at the Jackson County Detention Center are fully budgeted at a cost of \$630,360 in the Health Fund for FY 2021. County staff continue to work with the Mental Health Levy to get a portion of this program funded by that revenue stream.

Courts

• The 16th Circuit Court is asked to absorb nearly \$2 million in salary and contractual savings as part of a prorated allocation of those savings to all departments in the General Fund. This represents about 60% of the salary and contractual savings that the Court will generate in FY 2020. \$75,000 is also added to support the new information technology costs associated with the planned move of the Courts server farm and disaster recovery center. Future costs associated with a compensation study underway by the Courts will need to be considered for the FY 2022 budget.

Facilities

- One administrative position is added in Facilities to better manage the fiscal operations of that division. Over the next year, staff will be seeking to identify other individuals or positions who can provide strong fiscal support for each of the departments going forward.
- This budget further recommends that the County exercise its option for purchase of the Medical Examiner Office building for \$10. Over the past few years, the County has been budgeting for utilities and routine operating costs for the medical examiner's building out of County Health Funds, but Truman Medical Center has been incurring these costs and paying for those operating costs out of their general revenue. Assuming financial control of the building would allow County staff to better manage its operations and free up over \$230,000 in additional operating support for Truman Medical Center on an annual basis.

Finance

A vacant budget analyst position within the Budget division of the Finance Department will be
retooled to create a performance management system for Jackson County. This revised analyst
position will be tasked with implementing a system of capturing and reporting performance
metrics for all programs operating in the County. A vigorous performance management system
will lead to improved accountability for County operations as well as the opportunity to identify
future efficiencies that can improve County operations while reducing costs.

Fully Fee-Supported Departments

- The Assessment, Collections, and Recorder of Deeds Departments remain fully supported by their own program generated revenues and do not rely on general County tax revenue. The Environmental Health Department remains nearly fully fee-supported (94%) for this budget.
- The Parks Department remains fully supported by its own dedicated fees and special tax revenues as does the Public Works department (excluding facilities)

Human Resources

• \$70,000 is added in the Human Resources Department for all costs associated with unemployment claims made by former County employees. This cost was determined by averaging the last three years of actual claims. The previous budgeted amount for unemployment was nearly \$400,000. Eventually these costs will be allocated back to the departments using a cost allocation schedule that will be developed by staff in FY 2021.

Environmental Health

- The County currently operates 3 wastewater treatment plants that support three subdivisions in unincorporated Jackson County. The current customer revenue from the users of these facilities do not fully support their operations. We have been approached by the City of Lake Lotawana exploring the potential of assuming control of the Carriage Oaks wastewater treatment plant as part of an annexation plan for the City. This budget assumes continued operation of that plant, but we would be supportive of transferring that facility at no cost to Lake Lotawana, There is sufficient prior-year resources to cover the cost of operations of those facilities through 2021, but those funds will be gone after that. The County will need to dramatically increase revenue to support those expenditures or risk a draw of general revenue to support a service that benefits only small number of County residents.
- This budget also recommends that the Environmental Health group become a stand-alone department of the County. Environmental Health has responsibility for not-only various feesupported programs such as restaurant and other sanitation inspections, but animal control and wastewater treatment plant operations as well.

Jackson County Arts Council

• This budget recommends the establishment of a Jackson County Arts Council whose purpose would be to promote the arts and artist community throughout Jackson County. Arts Councils organized at the County level are common among urban counties throughout the United States. Given that the County spends over \$40 million per year supporting professional sports this budget recommends that less than one-half of one percent of that amount be spent on the arts. This budget recommends an initial budget of \$250,000 from Health levy funds or funding equivalent to nearly \$1 per household in the County. In 2021, this new Arts Council would work on organization and developing criteria for the distribution of up to \$250,000 in mini-grants to artists who reside in Jackson County.

Land Trust

• Expenses of \$16,100 are added in the General Fund to support a supplemental appropriation for the Land Trust of Jackson County. This appropriation is necessary to maintain current property maintenance levels and is reflective of fewer land sales in the coming year as no delinquent property tax sale was held in 2020. Under the current funding formula, the County is responsible for \$16,100 or 7% of the \$230,000 in estimated additional costs.

Medical Examiner

• Two investigator positions are added to the Medical Examiner's Office. These additional positions will eliminate the need for current staff to provide at least 8 hours of mandatory overtime to ensure 24-hour service coverage at the Medical Examiner. These positions will be fully paid by reducing current budgeted overtime costs by 90%.

Mid-America Regional Council (MARC)

• In prior years, MARC was funded as part of the outside agency allocations. In FY 2020, MARC memberships were removed from outside agency funding, but only partially funded in the operating budget. In FY 2021, MARC is fully funded for all programs in the amount of \$172,940.

Office Services Fund

• The Office Services Fund (No. 080), an internal services fund used to record expenses associated with duplicating and other internal charges of the County has been in deficit since 2007 when salaries of County personnel were charged to that fund, but never reimbursed. This budget proposes a one-time transfer of \$310,000 from the General Fund to the Office Services Fund to eliminate that long-standing deficit. This and other issues identified by the recent state audits will be addressed in future budget as funds allow.

Prosecutor's Office

- This budget accepts the current Prosecutor staff recommendations for funding various programs and activities within the COMBAT sales tax. Should the Legislature make a change in the funding formula for COMBAT, budget staff are prepared to make the necessary budget changes.
- This budget also incorporates a staffing change recommended by the County Prosecutor to create a Police Brutality Investigations Unit. One investigator position is created and is funded by reducing two vacant positions elsewhere in the Prosecutor's Office.
- The Family Support Division of the Prosecutor's Office which is housed in the Oak Towers office building at 11th and Oak St remains fully supported by a grant from the State of Missouri for FY 2021. Increasing personnel costs will stretch the ability of that program to remain fully grant supported after 2021. It may be necessary to find County-owned space for the group or find additional grant revenues to continue the work of this program without general revenue support.

Public Administrator

All revenues collected by the Public Administrator are fully deposited in the Health Fund to
partially offset program expenses which have been fully recorded in the Health Fund for at least
the past few years. The Public Administrator remains about one-third funded by program
specific revenues in 2021.

Public Defender

 Additional rent of \$58,954 is budgeted to support the operations of the Public Defender Juvenile Group at office space at 10 Main Plaza in downtown Kansas City. The procurement for new space was conducted in late 2019 but was not included in the 2020 budget. Total rental costs for the Juvenile group and the Adult group of the Public Defender are budgeted at \$334,185 in FY 2021.

Risk Management

• County property insurance premiums increase by \$494,434 or 55.3% to \$1,387,278 for FY 2021. Based on current property replacement values, 60% of this cost is attributable to the Truman

Sports Complex and is paid by the General Fund. With the exception of stadium insurance which cannot be paid by funds available for stadium operating costs and debt service due to existing lease agreements, all insurance costs are charged to the appropriate facility based on replacement value and paid by the various funds of the County. Administration believes that it may be appropriate for the County to solicit for proposals for new insurance broker services in FY 2021 to ensure that future cost increases of this magnitude can be eliminated.

• This budget also recommends that the County retain a part-time risk manager to assist County staff with overall risk management efforts. \$50,000 is budgeted for this position in 2021.

How the FY 2021 Budget was Balanced

Jackson County has a structural budget problem in several of its largest operating funds and this structural budget problem appears to have existed for some time. Structural budget problems occur when current operating revenues are insufficient to meet current operating needs. In other words, the County must rely on prior-year resources to balance the budget. In the General Fund, that imbalance has been \$13 to \$15 million per year or up to 13% of General Fund expenditures. As a percentage of expenditures, this is much too high and presents a real risk that the County would have insufficient cash to pay its bills should revenues fall short of expectations or all operating budgets are fully expended. From an academic perspective, a structurally balanced budget is a budget that accomplishes all of the following objectives:

- Current revenues equal or exceed current expenditures.
- Long-term revenue growth equals or exceed long-term expenditure growth.
- Adequate reserves in place to minimize revenue shortfalls or emergency expenditure needs; and
- Funding is adequate so that current capital maintenance needs are not deferred.

Realistically, only the most affluent communities can meet all four of the objectives all the time. Jackson County currently fully meets only one goal (adequate reserves) and the County Improvement Fund has only just recently been able to make progress on its significant deferred facility maintenance needs.

To reduce reliance on the use of prior year revenues, this budget takes the following steps to balance the General Fund budget in a way that is sustainable.

Capture of salary savings and staff turnover.

• This budget proposes that \$5.4 million of departmental salary savings be captured to reduce reliance on prior-year resources. All but the smallest departments normally generate salary savings as budgeted positions turnover or delays occur in the recruitment of new personnel. This budget proposes that approximately one-half of the traditional salary savings that are generated be permanently captured to reduce planned expenditures to better match current revenues. This capture along with the absorption of pay equity, and health insurance increases will effectively require a hiring freeze in the General Fund for all positions funded by General Fund resources in 2021. The detail of those specific reductions to each program can be found in Exhibit 1 that is attached to the end of this budget message.

Capture of efficiencies in contracts.

This budget captures \$1 million in savings in planned expenditures by asking departments to
prioritize their contractual expenditures and reduce those costs wherever possible. This
amount recaptured represents about 50% of the annual savings that usually occur in the
contractual services portion of the General Fund budget on an annual basis.

Recoupment of property tax due to lower assessed valuation

 This budget recommends that the County pursue a recoupment levy in 2021 that allows the County to capture a portion of the property tax revenue lost due to a reduction of over \$500 million in assessed property tax valuation that occurred between 2019 and 2020. This recoupment levy represents \$1.5 million of additional revenue to the General Fund in 2021.

These changes reduce the planned draw of reserves to \$10.2 million for FY 2021 and down from \$15.8 million or 35% lower than the amount of prior-year reserves planned to be used in FY 2020. While modest improvements in the structural condition of the budget has been made, there is much more work still to do for the FY 2022 and future budgets.

A structural deficit of \$3.7 million (24.3% of expenditures) remains in the Road and Bridge Fund as well. Available reserves in that fund will be sufficient for FY 2021 but will be essentially exhausted by the end of FY 2022. Programs like vehicle replacement for the Sheriff's Office and street maintenance in unincorporated areas may have to be reduced in future years to keep that fund in balance.

A Final Note About the Importance of Reserves or a Rainy-Day Fund

Jackson County received an upgrade in its credit rating from Moody's based on a significant improvement in the amount of financial reserves contained in the General Fund. This growth was welcomed, but unplanned. Those reserves were built by revenues exceeding budgeted estimates due to a strong local economy, expenditures being less than budget primarily due to staff vacancies from employee turnover. The largest contributor to this reserve growth was unspent dollars deposited into the County Improvement Fund. These reserves could easily disappear over time if the County is not careful. A weak economy is currently depressing revenue growth, the compensation study will hopefully slow employee turnover, and the County Improvement Fund is now getting spent to address long-deferred needs. To address this, this budget recommends that a hard floor be established whereby General Fund reserves would not be allowed to fall below except in the most dire of circumstances.

Jackson County closed out the 2019 fiscal year with \$76,016,713 in available reserves in the General Fund. Commitments against these funds include prior year encumbrances (active contracts) and other restricted funds totaling \$12,268,247. A further \$5,437,701 was set aside to fully fund deferred vacation and sick leave payments earned by County employees. Once these commitments are reduced from the total, an available balance of \$58,310,765 remains as undesignated fund balance and available for use in the General Fund at the end of 2019. A total of \$15,795,049 of those available reserves were then used to balance the FY 2020 budget. This budget proposes that a further restriction occur that would setaside two months of planned expenditures as an emergency reserve fund that cannot be touched as well as full funding of the County's other post -employment benefit liability (OPEB) which is an

accounting for the cost associated with retirees being able to purchase health insurance at rates offered to active employees. The adjustment occurs as follows:

| Available FY 2020 reserves after encumbrances and other commitments: | \$42,515,716 |
|---|----------------------|
| Estimated further draw on General Fund Reserves for FY 2020 (Res #19801): | <u>(\$2,000,000)</u> |
| Estimated Available Reserves in General Fund as 12/31/2020: | \$40,515,716 |
| | ¢21 257 222 |
| Two-month of planned FY2021 expenditures as emergency reserve: | \$21,357,333 |
| Jackson County OPEB liability as of 12-31-2019: | \$5,769,572 |
| Total Required General Fund Reserves for FY2021: | \$27,126,905 |
| Remaining Available for Allocation in FY 2021 and future years: | \$13,388,811 |
| Available Reserves used to Balance the FY 2021 General Fund: | (\$10,277,033) |
| Available Reserves that could be allocated in FY2022 or future years: | \$3,111,778 |

The minimally required reserves for FY 2021 would total \$27,072,486 or 66.8% of the available reserves. This \$27.1 million in required reserves is 21.2% of planned expenditures or less than 3 months of cash. With this spenddown, we are quickly removing any flexibility that we may have to meet new and unanticipated needs and our ability to use prior-year reserves to balance the budget will be gone by the end of FY 2022. While the County's overall reserve position remains strong, we should remain cognizant of the limitations of these funds and that achievement and maintenance of a structurally balanced budget is critical to long-term fiscal solvency of Jackson County.

Conclusion

County Administration wishes to express its appreciation to all departmental staff who spent hours working through their departmental budgets to fully justify the need behind all the planned expenditures. We also want to specifically thank Budget Administrator Mark Lang, County Treasurer John Gordon, and Legislative Auditor Crissy Wooderson for their countless hours spent on budget preparation. My office along with the departments stand ready to answer any questions that you have as you review and consider this budget.

Sincerely,

Frank White, Jr.

County History

Early History

Modern-day Jackson County was the site of the first military outpost in the Louisiana Territory. Fort

Osage, which was built in 1808 under the direction of General William Clark, co-commander of the Lewis and Clark expedition.

Jackson County Courthouse located in downtown Kansas City. MO.

On December 15, 1826, the Missouri State Legislature authorized the "County of Jackson," named after the seventh president of the United States of America, Andrew Jackson. Two years later, the first courthouse was built in Independence by Daniel P. Lewis for \$150.

In 1836 the first permanent, brick Jackson County Courthouse was erected on Independence Square in Independence, the County Seat. That building, now commonly known as the "Truman Courthouse" has since undergone five major remodels.

Harry S. Truman

In 1926, Harry S. Truman was elected Presiding Judge of Jackson County and was instrumental in voter approval of a major bond issue that made possible

the adoption of a County "Ten Year Plan." The plan called for a new courthouse in downtown Kansas City plus remodeling of the Independence Courthouse, a juvenile center, improvements at the Jackson

County home, and modernization of roads and bridges. This was the start of Harry Truman's political career where he went on to become a United States Senator, and then later became the 33rd President of the United States of America.

President Harry Truman left a decorating legacy behind him beyond bricks and mortar. In fact, his design savvy helped make Kansas City become known as the nation's top 10 city for art deco buildings. Truman traveled the country at his own expense to locate a design for the courthouse, which he found in Louisiana. The Jackson County Courthouse in downtown Kansas City still stands tall and remains a well-known landmark.

Expansion of the courthouse in Independence was dedicated in September of 1933. Construction of the downtown courthouse began in July of 1933 and was dedicated in 1934, the same year that Truman left county government to become a U.S. Senator.

Jackson Countians then – as now – owe Truman much gratitude for his vision and successful execution of a multitude of decision that kept Jackson County at the forefront of forward-thinking county planning, civic up-building, good government, and welfare and healthcare issues. County Court minutes are full of details that tell:

and welfare and healthcare issues. County Court minutes are full of details that tell the story of how Jackson County survived (and in some instances thrived) during the Great Depression of the 1930s.

County History

Governance

In 1970, the voters of the county adopted a Constitutional Home Rule Charter which established the

The County Legislature in session.

Executive position and the County Legislature. Both the County Executive and the members of the County Legislature are elected by the voters to govern Jackson County. The Constitutional Home Rule Charter provides for a separation of the legislative and executive functions. The County Executive oversees the day-to-day operations of the county government and has the power to appoint administrative officers and directors to head up various departments, the power to veto legislation, and the responsibility to operate and effective, efficient County Government. The nine-member County Legislature is given broad legislative power. They introduce and enact all county resolutions and ordinances. Other elected county officials of

Jackson County are the Sheriff and the Prosecutor.

In August of 2010, County voters approved a revised County Charter that focused on ethical reforms and called for an automatic Charter review every 10 years. The revised Charter took effect August 23, 2010. Again, in November of 2018, County voters approved a revised County Charter that focused reforms and duties of elected offices. The revised Charter took effect January 1, 2019. This charter form of county government provides the opportunity for the citizens of Jackson County to make changes in the County rather than in the State Capitol.

Jackson County has approximately 1,800 full-time associates and a total budget of approximately \$360,000,000 for the calendar year of 2020.

Location

One of seven counties that comprise the Kansas City, metropolitan area, Jackson County, Missouri is in the metropolitan area's eastern quadrant. It is bordered on the west by the Kansas state line, on the south by Cass County, the north by the Missouri River. Jackson County is a First Class Chartered County with an Executive Legislature form of government.

- Jackson County includes about half of Kansas City, Missouri and 18 other municipalities.
- Jackson County is also home to the Kauffman Center for the Performing Arts, Union Station, the National World War I Museum at Liberty Memorial, the County Club Plaza, Bartle Hall Convention Center, T-Mobile Center, The Nelson-Atkins Museum of Art and the headquarters for H&R Block and Hallmark Cards.
- Jackson County has the third largest county parks system in the United States.
- The Stowers Institute for Medical Research, Jackson County and Greater Kansas City is an epicenter for biotechnology and medical research.
- According to a 2010 study conducted by the non-profit Americans for the Arts, audiences
 attending arts and cultural events in the metropolitan Kansas City Area contributes \$69.3 million
 into the local economy annually, excluding the cost of admission. Jackson County is home to
 almost 60% of those arts and cultural organizations.

Transportation (Major Highways, Rail, Air, & Water)

Jackson County has the benefits of up-to-date, quality transportation systems, facilities, and service. Main line rail carriers intersect metropolitan Kansas City with over 300 freight movements that rank the area second nationally as a rail center. The area is also served by Amtrak passenger service.

Jackson County is served by major commercial airline carriers who also provide air cargo and express services. Kansas City International Airport is only minutes north of Jackson County, and carious other public and private airports are in the metropolitan area.

The use of the 2,285-mile Missouri River, which outflows approximately 250 miles downstream into the Mississippi River north of St. Louis, is an additional transportation mode in Jackson County.

Fiscal Policies

Purpose:

Jackson County has an important responsibility to its citizens to carefully account for public funds, to manage municipal finances wisely and to plan the adequate funding of services and facilities desired and needed by the public.

Our purpose in establishing a formal set of fiscal policies is to ensure that the public's trust is upheld. By adopting a set of fiscal policies, the County will be establishing the framework under which it will conduct its fiscal affairs, ensuring that it is and will continue to be capable of funding and providing outstanding local government services.

Our fiscal policy has specific objectives designed to ensure our continued fiscal well-being. These objectives are:

- A) To protect the governing body's policy-making ability by ensuring that important policy decisions are not controlled by financial problems or emergencies.
- B) To enhance the County's policy making ability by providing accurate information on program and operating costs.
- C) To assist the sound management of the County government by providing accurate and timely information on current and anticipated financial conditions.
- D) To provide sound principles to guide the important decisions of the County which have significant fiscal impact.
- E) To set forth operational principles, which minimize the cost and financial risk of government consistent with the services, desired by the public.
- F) To employ revenue policies, which prevent undue or unbalanced reliance on any one source which distribute the cost of services fairly, and which provide adequate funds to operate desired programs.
- G) To provide and maintain essential public facilities, utilities, infrastructure and capital (physical) plant.
- H) To protect and enhance the County's credit rating.
- I) To insure the legal use of all County funds through efficient systems of financial security and internal controls.

I. Revenue Policy

- 1. A diversified and stable revenue system will be maintained to shelter the government from short run fluctuations in any one revenue source.
- 2. Each existing and potential revenue source will be re-examined annually to ensure that they are kept current.
- 3. One-time revenues will be used only for one-time expenditures. The County will avoid using temporary revenues to fund mainstream operational services.
- 4. All revenue forecast shall be conservative.
- 5. All County funds shall be (a) safely invested, (b) with a sufficient level of liquidity to meet cash flow needs, and (c) invested at the maximum yield possible consistent with our debt policy. One hundred percent (100%) of all idle cash will be continuously invested.
- 6. All funds will develop and maintain a five percent (5%) cash flow reserve where practicable.

Fiscal Policies

II. Operating Budget Policy

- The County shall maintain a balanced budget. This means that all operating expenses shall not
 exceed operating revenue in the recommended budget. Any one-time revenue source, such as
 under spending or fund balance, shall only be used for one-time expenses that do not add to the
 fixed operating cost.
- 2. Regular reports comparing actual to budgeted expenditures are available to each department from the Financial Management System to keep them abreast of the County's expenditures.
- Before the County undertakes any agreements that create fixed cost, the cost implications, both operating and capital, of such agreements will be fully determined for the current and future years.
- 4. Estimates of all non-salary benefits, such as social security, pension, and insurance, and their impact on future budgets shall be annually assessed.
- 5. Cost analysis of salary increases will include the effect of such increases on the County share of related fringe benefits.

III. Capital Improvements

- 1. The County will determine and use the most effective and efficient method for financing all new capital projects.
- 2. The County will develop and maintain a five (5) year Capital Improvements Plan (CIP).

IV. Accounting Policy

- 1. The County will maintain high standards of accounting by following Generally Accepted Accounting Principles, (GAAP) in accordance with the standards developed by the Government Accounting Standards Board (GASB) and endorsed by the Government Finance Officers Association (GFOA).
- An independent annual audit will be performed by a public accounting firm who will issue an official opinion on the annual financial statements and a management letter detailing areas that need improvement.
- 3. Full disclosure will be provided in the financial statements and bond representations.
- 4. Financial systems will be maintained to monitor expenditures and revenues on a monthly basis, with a thorough analysis and adjustment.
- 5. The accounting system will provide monthly information about cash positions and investment performances.
- 6. The County will annually submit documentation to obtain the Certificate of Achievement for Excellence in Financial Reporting from the GFOA.

V. Debt Policy

- 1. Capital projects, financed through bond proceeds, shall be financed for a period not to exceed the useful life of the project.
- 2. Long-term borrowing will be confined to capital improvements too large for current operating and one-time revenues.

Fiscal Policies

- 3. Proceeds from long-term debt should only be used for construction project costs, acquisition of other fixed assets, bond issue costs, debt service reserve requirements, and refunding of outstanding bond issues and will not be used for current, ongoing operations.
- 4. The County should actively monitor its investment practices to ensure maximum returns on its invested bond funds while complying with Federal arbitrage guidelines.
- 5. The Finance Department should continually monitor outstanding debt issues to verify compliance with debt covenants.
- 6. The County's financial management policies should be oriented to maintain a balanced relationship between issuing debt and pay-as-you-go financing.

VI. Reserve Policy

1. Contingency - The County should strive to maintain an unreserved fund balance equal to or greater than three percent (3%) of anticipated revenue. This reserve will be calculated based on the adopted annual operating budget of the County. These funds will be used to avoid cash-flow interruptions, generate interest income, reduce need for short-term borrowing and assist in maintaining what is considered an investment grade bond rating capacity.

Summary of Significant Accounting Principles

The general purpose financial statements of the County are prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the County's significant accounting policies.

Reporting Entity

As required by GAAP, the County's general purpose financial statements include the transactions of all funds of the County and its component units.

Basis of Presentation

The accounts of the County are organized on the basis of funds, each of which is considered to be a separate accounting entity.

The operations of each fund are accounted for by providing a separate set of self-balancing accounts, which comprise its assets, liabilities, equities, revenues and expenditures or expenses. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the general purpose financial statements.

The following fund types are used by the County:

Governmental Fund Types

Governmental Funds are those funds through which most governmental functions of the County are financed. The acquisition, use and balances of the County's expendable financial resources and the related liabilities (other than those in proprietary funds) are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position.

The following are the County's governmental fund types:

The General Fund is the principal fund of the County and accounts for all financial transactions not accounted for in other funds. The general operating expenditures, fixed charges and capital improvement costs that are not paid through other funds are financed through revenues received by the General Fund.

Special Revenue Funds are operating funds used to account for certain property taxes, grant funds and other special revenues legally restricted for specific purpose.

Debt Service Funds are used to account for the accumulation of resources for, and the payment of, principal, interest and other related costs of the County's general long-term debt.

Capital Project Funds are used to account for financial resources designated to construct general fixed assets which, by their nature, may require more than one budgetary cycle for completion.

Summary of Significant Accounting Principles

Proprietary Fund Types

Proprietary Funds are those in which the measurement focus is upon determination of net income. The County's proprietary funds include an Enterprise Fund and Internal Service Funds.

Enterprise Fund is used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the cost (expenses, including depreciation) of providing the goods or services to the general public on a continuing basis be financed or recovered through user charges, or where the periodic determination of net income is deemed appropriate.

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the County, on a cost-reimbursement basis.

Fiduciary Fund Types

Fiduciary Funds are used to account for assets held by the County in a trustee capacity or as an agent for individuals, private organizations or other governmental units and/or other funds.

Expendable Trust and Agency Funds - Expendable Trust Funds are accounted for in essentially the same manner as Governmental Funds. Agency Funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

Nonexpendable and Pension Trust Funds are accounted for in essentially the same manner as Proprietary Funds.

Basis of Accounting

Basis of accounting refers to when revenues, expenses, transfers and the related assets and liabilities are recognized in the accounts and reported in the general purpose financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All Governmental, Expendable Trust and Agency Funds utilize the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (e.g., when they become both measurable and available). Measurable means the amount of the transaction that can be determined and available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Application of the "susceptibility to accrual" criteria requires judgement, consideration of the materiality of the item in question, and due regard for the practicality of accrual, as well as consistency in application.

Significant revenues, which are considered susceptible to accrual, include property, sales and other related taxes, interest and certain State and Federal grants and entitlements. Certain revenues, which are measurable and susceptible to accrual, but not yet available, are reported as deferred revenue and recognized as revenue when collected. Licenses and permits, fines and forfeitures, and miscellaneous revenues are recorded as revenues when received in cash because they are not measurable until actually received.

Summary of Significant Accounting Principles

Under the modified accrual basis of accounting, expenditures are recognized in the accounting period in which the related fund liability is incurred except for interest on long-term debt, which is recognized when due, and prepaid expenses, which are not recorded. Encumbrances are not recognized as expenditures; however, open encumbrances are reported as reservations of fund balance since the commitments will be honored in subsequent years.

The accrual basis of accounting is utilized by the Enterprise Fund, the Internal Service Funds, the Nonexpendable Trust Fund and the Pension Trust Fund. Under this basis of accounting, revenues are recognized when earned and expenses are recorded when liabilities are incurred.

If recommended by management and approved by ordinance, the budget can be amended to make supplemental or emergency appropriations. Budgetary transfers of less than \$10,000 between two departments within a division require the approval of the Budget Officer and the County Executive. The County Legislature must approve transfers greater than \$10,000 within or between two departments within a division and all transfers between divisions.

Unencumbered appropriations lapse at the end of the fiscal year. Appropriations in the Governmental Fund Types are charged as encumbrances when commitments are made. Fund balances are reserved for outstanding encumbrances, which serve as authorization for expenditures in the subsequent year.

At Jackson County, budgetary control is exercised at the departmental level; this is the level on which expenditures may not exceed appropriations. Under state law, control of budget appropriations is exercised at the fund level.

This Page is intentionally left blank.

The Budget Cycle

An annual budget prepared under the modified accrual basis of accounting (except that the encumbrances are treated as expenditures for budget purposes) is adopted in December prior to the beginning of each fiscal year for all budgeted Governmental Fund Types.

Pursuant to the Jackson County Code, Chapter Five, the County Executive must submit a balanced recommended budget to the County Legislature no later than November 15th every year. The budget must include a complete financial plan for all County funds and activities subject to appropriation, including proposed tax rates, an estimate of all income and revenue and all proposed expenditures for current operations, debt service, and capital expenses.

The annual budget document does not contemplate grants for appropriation. These are done as the grants are awarded on a case by case basis with no expectation of a grant continuing beyond the current year.

The County Executive submits the recommended budget to the Legislature in accordance with County Code. The budget document must include: a budget message outlining the fiscal policy of the government; a detailed budget estimate of revenues and expenditures by fund; and Appropriation and Tax Levy Ordinances.

The County performs the following procedures for establishing the budget:

May - July

Budget Package Preparation

Each year, the Budget Office gathers all of the necessary information for the Departments to begin their budget request. This information includes an analysis of the previous three years spending, a detail of each budgeted employee and their associated costs, the formatted budget sheets for each line item, a Departmental Overview with current goals, objectives, performance measures, and all necessary fiscal information.

June - August

<u>Department Budget Request</u>

Once the budget packages are assembled and delivered, the Departments then begin the task of quantifying their budget needs for the upcoming fiscal year. Departments should start by reviewing their goals and objectives and updating them where needed. The Departments then begin to assemble the information necessary to make their budget request and have the entire package submitted back to the Budget Office by August 15th.

August - September

Department Budget Request Review

Once the budget requests are submitted, the Budget Office begins to review the request and compile a preliminary budget based on request.

The Budget Cycle

Informal Department Budget Hearings

The Budget Office along with other members of the Administration and the Legislature will request a meeting with each Department to go over the request and have any questions about the request answered. These hearings are a time for the Departments to provide information necessary for the staff to make quality recommendations to the Chief Administrative Officer and the County Executive.

October

Executive Budget Review

Once the Budget Office has made recommendations to the Chief Administrative Officer, the departments are given one more opportunity to discuss their request and the Budget Office's recommendation. Once these hearings have occurred, the Budget Office will complete the recommended budget per the revisions the Chief Administrative Officer requested. The CAO will then present the Administration's budget to the County Executive for their review and comment.

November

Recommended Budget Submitted

The County Executive will present a recommended budget to the Jackson County Legislature on or before November 15.

December

Legislative Review, Public Comment, and Adoption

The Legislature will begin their review of the budget and hold hearings with departments as necessary. Before the Legislature can adopt the budget, they are required to hold a public hearing. The Clerk of the Legislature will post this as required by law. The Legislature must approve the budget no later than December 31, unless it is an election year for both the Legislature and the County Executive.

Once the Legislature has adopted the budget, the County Executive has 10 days to accept, deny, or let the budget go into effect without comment. The County Executive has line-item veto power that the Legislature can overrule with a majority vote.

NOTE:

The budget for the year following the election of the County Legislature and the County Executive must be adopted no later than January 31 of the budget year. The timeline will alter slightly to accommodate a new administration if necessary.

Budget / Management Policies

<u>Purpose</u>

Our purpose in establishing a formal set of budget policies is to ensure that the public's trust is upheld. These policies will serve as a blueprint to achieve fiscal stability required to accomplish the County's policy goals and objectives.

Relationship to Overall County Goals and Objectives

The County will develop a mission statement, strategic plan, and conforming goals for the successful development and maintenance of our financial management policy. The finances of the County should be the vehicle by which the goals and objectives are obtained, not driven. This philosophy will help ensure that the County remains financially viable well into the future.

In addition, the County as an institution has multiple partners including citizens, taxpayers, businesses, employees, and other governments. As a major institutional, economic and service force in the region, it is important that the County strengthen its relationships with its partners by adopting clear and comprehensive financial policies.

Objectives

- To guide in policy decisions which have a significant fiscal impact
- To set forth operating principles which minimize the cost of government and reduces financial risk
- To employ balanced and fair revenue policies which provide adequate funding for desired programs
- To maintain appropriate financial capacity for present and future needs
- To promote sound financial management by providing accurate and timely information on financial conditions
- To protect and enhance the County's credit rating and prevent any default on any debt
- To ensure the legal use of financial resources through an effective system of internal controls
- To promote cooperation with other governments and the private sector in the financing and delivery of services

Budget Policy

This policy complies with the Local Budget Law of Missouri as outlined in Chapter 50 RSMo, and for the preparation, recommendation, consideration, adoption, execution, and audit of Jackson County's annual budget.

Scope:

This policy applies to all departments, Agencies or Divisions within Jackson County.

Guideline:

Annually, the Jackson County Legislature has the authority and responsibility to adopt the County Executive's recommended budget approving the use of public funds for the operation of all County activities. Jackson County's fiscal year runs from January first through December thirty-first.

Budget / Management Policies

Preparation:

The County Executive shall present a recommended budget for the Jackson County Legislature's consideration no later than November 15th each year.

Balanced Budget:

The County Executive shall present a balanced budget. This means that all operating expenses shall not exceed operating revenue in the recommended budget. Any one-time revenue source, such as under spending or fund balance, shall only be used for one-time expenses that do not add to the fixed operating cost.

Contingencies:

RSMo 50.540.4 mandates that the County shall provide in its appropriation order, that an amount equal to not less than three (3) percent of the total estimated General Fund Revenues for an operating contingency shall be appropriated each year as an emergency fund. The County Executive has voluntarily added this requirement to all other major funds and special revenue funds that may have a use for a contingency.

Fund Balance:

The recommended budget was developed with the idea of creating a cash flow reserve as a designation within fund balance to begin to rebuild necessary cash flows for operations within all major funds. The County goal is to have a 5% cash flow reserve for all major funds utilizing the Governmental Finance Officers Association (GFOA) recommended standards.

Capital Improvement Budget & Five-Year Plan:

The County Administration developed with the Jackson County Legislature an initial five-year Capital Improvement Plan (CIP) to determine what the true capital needs of the organization are today and into the future. The CIP shall be adequate to maintain capital assets at a level sufficient to protect infrastructure and minimize future maintenance and replacement costs. The CIP, once adopted, will be reviewed and updated annually prior to the adoption of the annual budget. The CIP plan will identify ongoing operating requirements associated with each capital project. If a capital request is approved during the budget process the operating budget will reside in the appropriate department assigned to oversee the project, e.g. facilities for buildings, fixtures, furniture, IT solutions, fleet replacement, etc. Capital project budgets will include all expenses associated with the completion of the project.

Position Control:

The recommended budget shall include a total number of recommended permanent full-time equivalent (FTE) positions by classification. Grant-related positions which do not require County matching dollars will be approved by the Jackson County Legislature.

Revenues:

The recommended budget shall include revenue and resource estimates that balance with the recommended appropriations. The revenues of Jackson County are more fully discussed in the Revenue analysis section of the budget book.

Budget / Management Policies

Legislative Consideration and Adoption:

The Jackson County Legislature approves the budgeted level of expenditures by fund and department. At any point prior to adoption, the Legislature may revise the recommended budget pursuant to County and State Law.

Budget Configuration:

The Jackson County budget is adopted on a basis consistent with General Accepted Accounting Principles (GAAP). For further discussion of this topic, please review the Fiscal Policies and Summary of Significant Accounting Principles located within this section of the budget document.

COMMUNICATIONS

Mission Statement

The Communications Department coordinates external communications that connect Jackson County residents with information about their government's services, operations, and policies. The Department also supports clear and open communications between other County departments and offices to maintain an informed and motivated workforce. Communications exists to promote cooperation and connection between Jackson County Government and the diverse communities we serve.

Department Goals

- 1. To increase public knowledge of Jackson County government and its role in the community.
- 2. To improve communication between Jackson County government and citizens.
- 3. To work with community stakeholders, the business community, and other local governments to raise awareness of issues and events that impact daily life.
- 4. To facilitate better communication and awareness among County associates, between departments, and in so doing, increase pride and morale in public service.
- 5. Assist the Human Resource Department in recruitment.
- 6. To stay in contact with local newspapers, TV, and radio stations.

Objectives

- 1. Using social media to build public awareness of Jackson County's core functions, programs, and facilities.
- 2. Assisting various departments to create messages and media that helps them achieve their goals.
- 3. Establishing a brand identity with consistent messages, professional graphic design, and high-quality photography and multimedia content.
- 4. Maximizing engagement with internal (JCOOL) and external (jacksongov.org, makeyourdayhere.com) websites by adding fresh and compelling content weekly.
- 5. Maintain best practices and professional standards of community engagement with the public via social media and media outlets.
- 6. Collaborate with all departments on special events, ground breakings, ribbon cuttings, press conferences, and other events to represent Jackson County in a professional manner to the media and the public.

Performance Measures

- 1. Increased likes, shares, and positive interaction with the public on social media.
- 2. Improved morale among Jackson County associates who are recognized for quality work.
- 3. More public feedback at community forums and events.
- 4. Improved media coverage for Jackson County programs and initiatives.

Achievements

- 1. Added more new content to website and social media than ever before, while assisting departments like the Parks, Rock Island, Human Resources, Corrections, Public Works, Sheriff's Office, Legislature, and Medical Examiner with events.
- 2. Implemented weekly meetings with EJC Communications Mangers and the Health Department to increase communications throughout the county and educate municipalities on happenings in the county.
- 3. Completed over 235 work orders submitted by all departments in the county.
- 4. Increased visibility for the county throughout all social media platforms.

COUNTY COUNSELOR

Mission Statement

The mission of the Office of the County Counselor is to conduct all of the civil law business of the County, and the departments, officers, boards and commissions, institutions and agencies of the County in a highly professional manner.

Goals

The Jackson County Counselor's Office protects the legal interests of Jackson County citizens by providing legal counsel for the County's elected officials, directors and associates. They provide this service for a full range of issues that affect County government.

Objectives

- 1. Provide high quality legal work in the defense of litigation filed against Jackson County.
- 2. Manage and coordinate the work of retained legal service providers and identify areas of legal expertise required to address future legal issues.
- 3. Assist the County administration and County departments to develop preventive legal advisory programs.
- 4. Prepare or review and approve as to form all leases, deeds, contracts, bonds, ordinances, rules, regulations, drafts of legislation, and other instruments relating to the business of the County.

Performance Measures

The staff working in the Office of the County Counselor consists of attorneys, paralegals, and skilled administrative staff. Each member of the staff is evaluated annually on a wide range of performance topics. The performance topics are customized to the type of work performed by the various categories of staff members. The evaluation is done by a collaborative process that includes the County Counselor, the two Chief Deputy County Counselors and self-evaluations submitted by each staff member.

Achievements

- 1. Successfully provided high quality legal work in the defense of litigation filed against Jackson County.
- 2. Management and coordination of the work of retained legal services and identification of appropriate legal expertise required to address future legal issues.
- 3. Assisting the County administration and County departments to develop preventive legal advisory programs and presentation of educational and training programs for County associates.
- 4. Preparation, review and approval as to form all leases, deeds, contracts, bonds, ordinances, rules, regulations, drafts of legislation, and other instruments relating to the business of the County.
- 5. Serving as an effective team member with the Legislature and County administration in achieving good government for the benefit of the citizens of Jackson County.

COUNTY EXECUTIVE'S OFFICE

It is the responsibility of the County Executive's Office to effectively and efficiently manage the day-to-day administration of the executive departments in the county government as well as countywide management of finances and operations, governmental relations and state and federal legislative affairs.

A key responsibility of the County Executive's Office is the submission of a balanced budget to the Jackson County Legislature and ongoing monitoring of the budget, compliance with purchasing procedures and laws, as general management of the county operations.

The County Executive's Office provides oversight of executive departments, including the departments of Assessment, Collection, Communications, Finance and Purchasing, Health Services, Human Resources, Information Technology, Public Works, Parks + Rec, and Recorder of Deeds.

The County Executive's Office also provides day-to-day management support for Charter Offices, including the County Counselor, Medical Examiner's Office and Public Administrator.

And, the County Executive's Office works closely with the 16th Circuit Court of Jackson County, the Jackson County Prosecuting Attorney, and the Jackson County Sheriff's Office to identify and pursue operational efficiencies.

ETHICS, HUMAN RELATIONS & CITIZEN COMPLAINTS

Mission Statement

To promote confidence in Jackson County Government by responding to citizen's complaints in an impartial and efficient manner. Also, to contribute to the improved operations of County Government by making recommendations based upon the results of complaint investigations.

Goals

To support the citizens of Jackson County with a means to request assistance with County issues and resources in the community.

Objectives

- 1. To provide information regarding County services.
- 2. To make referrals to agencies in Jackson County.
- 3. Offer mediation services.
- 4. Investigate allegations of ethics violations.
- 5. Investigate complaints.

Performance Measures

In addition to tracking complaints, EHRCC maintains data on information regarding referrals made to outside agencies and connecting citizens to assistance that are the responsibility of Jackson County.

Achievements

- 1. EHRCC assisted over 1,000 citizens with a wide variety of social service and behavioral health needs.
- 2. Participated in community health fairs.
- 3. Works with community stakeholders e.g. Missouri Human Rights Commission, Board of Police Commissioner's Office of Community Complaints, Arts Tech, The Black Health Care Coalition and the Legal Aid's Tenant Help Clinic.

LEGISLATURE

Mission Statement

The Jackson County Legislature is comprised of nine elected officials representing six geographic regions who are responsible for making the laws of the County to establish and carry into effect the County Charter. The legislative process, including the introduction and enaction of all County resolutions and ordinances, ensures transparency and accountability to the taxpayers for the use of public funds.

The Clerk of the County Legislature provides a link between citizens and county government to ensure the county's legislative process is transparent and accessible by disseminating information and using innovative technology for information storage and retrieval as well as the preservation of the county's history.

The Legislative Auditor provides independent, objective and meaningful information about county programs and performance, as well as assurance that county services are provided in the most cost effective and efficient manner thus enabling the County Legislature to make timely informed decisions. By assuring that government is accountable, responsible and transparent, the Auditor serves as an extension of the legislative branch in an oversight and informational role.

ASSESSMENT DEPARTMENT

Mission Statement

Assessment is the process of placing market value on a property for the purpose of property taxation. Reassessment is an update of all real property parcels in the County, directed by the Director of Assessment to equalize values among taxpayers and to adjust values to current market conditions. The Director of Assessment is required by Missouri State Statute 137.115 to establish the fair market value of all real property as of January 1 of every odd year (like 2019 and 2021). The assessed value is applied to the tax rates established by the taxing districts to determine the amount of tax levied against each property.

The mission of the Jackson County Assessment Department is to provide the assessment rolls to political subdivisions and taxpayers, so they have a fair and equitable basis for the levying and paying of taxes. The Assessment Department is required to achieve and maintain a common level of assessment for all real estate by both, the International Association of Assessing Officers (IAAO) recommended standard and the Missouri State Tax Commission (STC) recommended standard as tested and determined by the STC. The department conducts a physical reassessment of real property in odd-numbered years. The department also assesses the value of business and personal property on an annual basis.

Goals

Current goals of the department are to continue to improve the level of customer service and taxpayer assistance. We want to effectively educate the citizens of Jackson County about the assessment process and how they can directly and effectively participate in that process.

The department also seeks to maintain a real estate Informal Review and Board of Equalization appeal level at or below the International Association of Assessing Officers (IAAO) recommended standard of 10-percent of all real estate parcels during the 2021 reassessment cycle.

Objectives

The objectives of the Assessment Department are to accurately assess all real and personal property in Jackson County. To educate taxpayers about the assessment process and their rights as taxpayers. To create and maintain an efficient and transparent reassessment process. Maintain an accurate system that allows taxpayers to access their records to update as needed electronically.

Jackson County Election Board

Department Overview

It is the responsibility of the Jackson County Election Board (JCEB) to maintain current and accurate voter files, maximize voter registration and voter turnout efforts, educate the voting public and provide the best possible services in conducting efficient, fair, honest, and impartial elections at minimum cost to the electorate.

Board members are appointed by the Governor of Missouri and are charged with making rules and regulations consistent with statutory provisions necessary for voter registration and conducting elections.

JCEB serves the portion of Jackson County that falls outside of Kansas City, Missouri.

Board of Equalization

Mission Statement

The Jackson County Board of Equalization is an independent Board composed of citizen taxpayers of Jackson County. Its mission is to fully and fairly equalize the value of all real and tangible personal property in the county for purposes of taxation and to provide an appeal forum for taxpayers to correct perceived inequities in the assessment of value.

Goals

- 1. The Board strives to allow taxpayers an efficient, unbiased, courteous and informative manner of addressing grievances in an accessible public forum regarding the imposition of valuation by the County.
- 2. Administratively aid the Board in staying abreast of the rules and procedure, tax laws and statutes pertaining to the Board of Equalization.
- 3. Reduce customer wait times on both phones and in line by increasing online and mobile education and capabilities.
- 4. To implement process and work station improvements that balance a better workflow, improve productivity, and increase workforce morale.
- 5. To effectively communicate with Assessment, Collections, Legal, and the Tax Incentive Unit resulting in improved service delivery to internal and external customers.

Objectives

- 1. To educate taxpayers, Tax Agents, and Attorneys via County website, social media, and community meetings/presentations on the appeal practice and process in general and taxpayer responsibilities as they relate to the policies and practices of the BOE Unit.
- 2. Expand accessibility for taxpayers to online and mobile transactions such as filing appeals and supporting documentation. Expand accessibility for associates to more quickly process digital appeal forms as well as scanning handwritten appeal applications and documentation.
- 3. Effectively communicate expectations to taxpayers, Tax Agents, and Attorneys prior to, or eliminating the need for, their coming in person in order to execute positive outcomes regarding BOE hearings and services.
- 4. To improve taxpayer satisfaction and employee morale by appropriately staffing and supplying the department according to annual workload, especially during reassessment years. Also providing associates/seasonal staff with effective training to ensure they have the knowledge and skills necessary to provide the highest quality service to taxpayers and other customers internally and externally.
- 5. Scheduled collaboration with Assessment, Collections, Legal, and the Tax Incentive Unit to increase communication related to cross-departmental needs, hearings and projects.
- 6. Prepare for upgrade to Sigma, Appeals II, and BOE Tracker software regarding scheduling appeals and BOE value decisions.

Performance Measures

- 1. Number of appeals with decisions rendered vs. number of appeals filed
- 2. Number of reschedules prior certification
- 3. Number of reschedules after certification
- 4. Number of incoming calls and walk in customers

Achievements

- 1. Taxpayers can now print Appeal forms from website.
- 2. Board members now have cloud access to view digital documentation prior to BOE hearings streamlining hearing times, also reducing costs on postage and paper, and labor costs to produce them.
- 3. Taxpayers can now submit appeal forms and supporting documentation via newly created BOE resource mailbox.

COLLECTION DEPARTMENT

Mission Statement

To provide Jackson County taxpayers, as well as all other internal and external customers with efficient, effective and courteous tax collection services.

Goals

- 1. To increase public satisfaction related to the collection of taxes in Jackson County.
- 2. Reduce customer wait times on both phones and in line by increasing online and mobile education and capabilities.
- 3. To implement process improvements that balance workflow, improve productivity and increase workforce morale.
- 4. To effectively communicate with Assessment, Finance, Legal and the Tax Incentive Unit resulting in improved service delivery to internal and external customers.

Objectives

- 1. To educate taxpayers via County website/mobile app, social media and community meetings/presentations on the tax system in general and taxpayer responsibilities as they relate to the policies and practices of the Department of Collections.
- 2. Expand accessibility and improve user interface to all online and mobile transactions such as payments, receipts and research.
- 3. Effectively communicate expectations to taxpayers prior to, or eliminating the need for, their coming in person for services.
- 4. To improve employee morale and taxpayer satisfaction by providing associates with effective training to ensure they have the knowledge and skills necessary to provide the highest quality service to taxpayers and other customers.
- 5. Collaborate with Assessment, Finance, Legal and the Tax Incentive Unit to increase communication related to cross-departmental needs and projects.
- 6. Prepare for upgrade to new tax collection software.
- 7. To decrease wait times and increase taxpayer satisfaction by streamlining required documentation and using remote check-in for queuing.

Performance Measures

- 1. Dollar amount billed v. dollar amount collected.
- 2. Percentage of parcels redeemed or sold to bidders in the Delinquent Land Tax Sale.
- 3. Number of accounts paid online.
- 4. Reduced employee turnover rates.
- 5. Reduced wait time as measured through our remote check-in application.

Achievements

- 1. Successfully processed over 2,800 protested tax payments, an increase of 2500% over last year's protest, due to 2019 revaluation.
- 2. Successfully recalculated over 16,600 property accounts due to 2019 appeals, an increase of 700% over the last 2 years' average recalculations.
- Created an automated refund process & successfully refunded over 8,000 receipts.
- 4. Made several renovations to employee work areas that had not been addressed in over 20 years.

- 5. Purchased equipment in several different units that increased productivity and improved remote & wireless capabilities.
- 6. Successfully enacted continuity of business plans for collection of taxes during the stay at home order & accommodated the reopening while keeping the taxpayers and staff safe.
- 7. Increased pay to most of our associates to a living wage that is competitive with the market.
- 8. Department turnover is starting to trend down: 2017 28.07%, 2018 41.68%, 2019 20.34%.
- 9. Successfully transitioned off end of life online payment platform to new one.
- 10. Preparing to transition to new virtual queuing platform.

COUNTY MUNICIPAL COURT

Mission Statement

Jackson County instituted its own municipal court in 2008 apart from the Jackson County Circuit Court. The purpose was to locally conduct court for county ordinance violations including; code enforcement, animal control, park citations, sex offender violations and traffic or other ordinance violations issued by the County Sheriff's Office. Since then we have also taken the overflow of Driving While Suspended or Revoked charges from Kansas City Municipal Court along with many cases that do not meet the requirements to be conducted in state court and rather are handled in the municipality.

Goals

- 1. Maintain compliance with the Office of State Court Administrator and Missouri Supreme Court, along with maintaining compliance in accordance with any law changes that may occur, resulting in changes in policies or procedures.
- 2. Provide adequate training to staff, keeping all team members of the Municipal Court apprised of changes in the law.
- 3. Ensure that defendants are receiving fair treatment and are fully aware of their rights within the Municipality while undergoing the court proceedings.

Objectives

The top objective is to provide fair and timely resolution of cases involving violations, infractions and crimes in a manner which is efficient for the County and defendants and/or citizens. We seek to ensure strict compliance with judicial orders, including payment of court-ordered fines and fees and the completion of court-ordered time obligations such as counseling, classes, jail time or community service.

Performance Measures

- 1. Process citations from all internal and external agencies effectively and timely. Communicate changes or corrections with the Municipal Court Prosecutor Clerk.
- 2. Effectively communicate with all citizens, police agencies, other municipalities, Jackson County Detention Center, the Municipal Court Judge, Prosecutor and attorneys on a daily basis either in person, by phone or through written correspondence.
- 3. Process complex transactions including payments, payment plans and bonds with complete accuracy.
- 4. Maintain compliance with all Senate Bill law changes and the Office of State Court Administrator.
- 5. Report on a monthly basis to the Presiding Judge of Jackson County and the OSCA; monthly numbers and DWI reporting information.
- 6. Maintain, purchase and balance the Municipal Court budget.

Achievements

- 1. Successfully implemented the interface between the Sheriff's Department and the Municipal Court software, REJIS. This enabled the court to receive tickets on a daily basis
- 2. Implemented the first ever warrant disposal for minor traffic cases prior to 2010, reducing our outstanding warrants.
- 3. Maintained compliance through several changes in the law by changing and continuing to change many of our procedures.
- 4. By implementing new procedures we have reached a 100 percent conviction reporting percentage.
- 5. Successfully added a Prosecutor clerk position to ensure our compliance with OSCA.

FINANCE & PURCHASING

Mission Statement

Finance will provide entity-wide financial reporting and financial information services, collaborate with other departments to develop and administer the annual budget, maintain an open and competitive procurement process, administer risk management and insurance programs, enforce travel and documentation policies, monitor compliance with grant and contract requirements, pay County obligations, distribute property taxes to all taxing jurisdictions, direct the centralized accounting and payroll processes, perform daily cash management and investment services, monitor compliance with outside agency and Housing Resource Commission contracts and provide internal courier services and bulk printing services.

Goals

- 1. Maintain proper segregation of duties and internal controls to prevent or detect and correct errors on a timely basis.
- 2. Look for opportunities to better utilize technology to improve the accuracy and efficiency of all finance functions.
- 3. Investigate budget variances on a bi-weekly basis to help departments better manage their resources.
- 4. Provide accurate and timely responses to all internal and external customers.
- 5. Ensure active term and supply contracts are available as needed and purchases are competitively bid whenever practicable.
- 6. Record all transactions accurately and on a timely basis.
- 7. Improve accountability for all County-owned capital assets.

Objectives

- 1. Safeguard all financial and capital assets of the County.
- 2. Maintain accurate, complete, up-to-date financial records for all County funds.
- 3. Ensure the County receives the best possible price for all purchases.
- 4. Maximize County revenue with minimal risk exposure.
- 5. Pay employees and vendors on a timely basis with a minimal number of errors.
- Collaborate with departments to develop and administer budgets to meet County needs.
- 7. Comply with all grant, financial reporting, Federal, State, County and other local requirements.
- 8. Perform all contract administration functions on existing term and supply contracts.
- 9. Coordinate with internal customers on the development of specifications/scope of services for competitive bids/proposals.

Performance Measures

- 1. Maintain state-mandated levels of collateralization on all deposits.
- 2. Record all capital assets within 30 days after purchase.
- 3. Process third party payroll checks (garnishments, deferred compensation, etc.) one day prior to the payroll disbursement date.
- 4. Process all Accounts Payable vendor payments from entry to check creation within two weeks.
- 5. Reconcile the operating bank account within 45 days after month end.
- 6. Maintain active term and supply contracts for all applicable recurring purchases.
- 7. Initialize the process on all travel advances and budget transfer requests within two days of receipt and forward to appropriate departments for processing.
- 8. Process contract payments and direct payments weekly.
- 9. No significant deficiencies or material weaknesses in the annual County and Pension Plan audits.

10. Issue purchase orders on a daily basis.

Achievements

- 1. Awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association (GFOA) for 31 consecutive years.
- 2. No significant deficiencies or material weaknesses reported for the last two annual audits.

HUMAN RESOURCES

Mission Statement

To provide accurate and timely Human Resources related guidance to associates, departments and the public. Provide leading edge solutions to recruit and retain the best associates. Protect the county by mitigating liabilities in the areas of healthcare, workers compensation, employee/labor relations and recruiting/employment.

Goals

- 1. Update Jackson County Personnel Rules in conjunction with the County Counselors Office.
- 2. Implement new technology to be used in at least one of these functions: Recruiting, Requisitioning Associates or Onboarding.
- 3. Conduct county-wide training in at least two of these areas: Harassment, Safety/Workers Compensation and Performance Management.

Objectives

- 1. Establish regular meetings with HR and County Counselor's Office to review and update the Personnel Rules by 6/30/2021.
- 2. To select and successfully implement new technology in one of these four key functions: Recruiting, Requisitioning Associates or Onboarding.
- 3. To develop and conduct county-wide training in at least two of these areas: Harassment, Safety/Workers Compensation and Performance Management.

Performance Measures

1. Monitor progress of revision through regular check-ups.

Exceeds = Revisions made and approved by legislature by 6/1/2021

Meets = Revisions made and approved by legislature by 6/30/2021

Needs Imp = Revisions made but not approved by legislature by 6/30/2021

Unsuccessful = Revisions never accomplished

2. Monitor success by the implementation of technology/automation in these areas: Open Enrollment, Recruiting, Requisitioning Associates or Onboarding.

Exceeds = Automate in two areas in 2021

Meets = Automate in one area in 2021

Needs Imp = Partially automate one area

Unsuccessful = Nothing new automated

3. To develop and conduct county-wide training in at least two of these areas: Harassment, Safety/Workers Compensation and Performance Management.

Exceeds = Develop and train in three areas in 2021

Meets = Develop and train in two areas in 2021

Needs Imp = Develop and train in one area in 2021

Unsuccessful = No new training developed

PARKS + RECREATION

Mission Statement

Our mission is to provide fun-filled opportunities in beautiful outdoor settings, so people can Make Their Day!

Goals

- 1. Completion of Capital Improvement Projects, including the completion of the Little Blue Trace/Rock Island Connector and Blue Springs Campground upgrades.
- 2. Complete Longview and Blue Springs Marina's Flotation Replacement for all Docks.
- 3. Acquire new In-Car Cameras for Ranger Patrol Vehicles.
- 4. Continue to raise the profile of JCP+R through marketing, promotion, customer service, social media, and establishment of Parks + Rec Instagram account.

Objectives

- 1. Manage each funded Capitol Improvement Project, working closely with Division Superintendents on project design, bidding, scheduling, and construction.
- 2. Manage all aspects of the Longview and Blue Springs Marina Improvement Project.
- 3. Manage all aspects of the procurement process for Ranger Vehicle Cameras.
- 4. Continue our successful Marketing Strategy by incorporating radio, Cable TV, Google Search Ads, Facebook Event Marketing, and other collateral materials.

Performance Measures

- 1. Complete all Capital Improvement Projects on-time and on budget.
- 2. Complete all Longview and Blue Springs Marina Dock Flotation Improvements by Fall 2021.
- 3. Install new Camera Systems by Fall 2021.
- 4. Print and distribute Park Guide in April 2021, schedule Facebook Event Ads to begin in April 2021, and Commercial Ads to begin in June 2021.

Achievements

- 1. Jackson County Parks + Rec effectively and responsibly re-opened the Park's System, providing safe park settings and recreational attractions within the Covid-19 Guidelines.
- 2. With Covid-19 this summer, our Patrons have turned to boating for a safe and fun-filled activity. All three Marinas recorded record revenues for Boat Rental.
- 3. Secured \$1M in grant funding through Federal Lands Access Program for needed and critical capital maintenance of roadways at Blue Springs Lake. Funding, available in 2022, will go toward an asphalt overlay and repairs on the busiest roads around the lake.
- 4. Successfully railbanked the entire 17.7-mile Rock Island Corridor through the US Surface Transportation Board, securing the rights to develop and operate the shared use pathway connecting Lee's Summit, Raytown, and Kansas City to the Truman Sports Complex.
- 5. To make Parks + Rec playgrounds more accessible in 2020, ADA compliant sidewalks were installed at 17 locations throughout the park system to allow easier access to swing sets and playground equipment.
- 6. The Par 3 Executive Putting Greens at the Fred Arbanas Golf Course were successfully renovated. These were the original greens (34 years old) and our golfers are elated!
- 7. A new 30' x 30' Shelter House at the Longview Lake Beach was completed.
- 8. To maintain park safety, rangers educated park patrons regarding COVID and PPE through daily interaction and short video segments on social media.
- 9. Completed the renovation of the Colonel's House at Missouri Town 1855, including the Entry, and Gentleman and Lady's Parlor Rooms.
- 10. Grew the Parks + Rec Facebook Page to more than 9,300 Fans (up by 1500 since 2019) through trail and event updates, as well as topical posts such as Fort Osage "Foodways Fridays".

PUBLIC WORKS

Mission Statement

The Jackson County Public Works Department is committed to providing services and infrastructure in a quality manner through the use of modern engineering, management and implementation practices with a team of people dedicated to professional excellence and customer satisfaction. We strive to accomplish these tasks efficiently, effectively and with accountability to the community we serve. Ultimately, it is the desire of the Department of Public Works to accomplish the goals and exceed the expectations of the citizens of Jackson County.

Goals

- 1. Completion of Capital Improvement Projects.
- 2. Continue implementation of a preventive maintenance plan through Jackson County facilities.
- 3. Successfully implement the Road and Bridge program.
- 4. Plan and execute the Engineering Special Project agenda.

Objectives

- 1. Utilize key personnel to prioritize, plan, program, coordinate and execute funded Capital Improvement Projects.
- 2. To better serve the occupants of the County facilities research and analytics must be incorporated to support a system wide proactive plan to decrease the progression of deferred maintenance and component degradation within the County's building stock.
- 3. Implement the County's needed annual road and bridge improvements while increasing the success rate of the activities employed.
- 4. Utilize allocated funding to ensure that safe transportation across County road structures is achieved.

Performance Measures

- 1. Complete funded Capital Improvement Projects on time and under budget.
- Reassess accomplishments by end of year to ensure programming and implementation are effective.
- 3. Comparative analysis post construction phase to determine effectiveness.
- 4. Comparative analysis post construction to ensure bridge and structural goals are achieved.

Achievements

- 1. Engineering
 - a. Provided quality Construction Management services on the South segment of the Rock Island Shared Use Path at a great savings to the County
 - b. Assisted the Parks + Rec Department with several special project design, bid and implementation activities.
 - c. Improved staffing to allow for completion of a full range of engineering practices
- 2. Road and Bridge
 - a. Road Program was again a success. New practices are continually incorporated to ensure effectiveness of road program protocols. Procedures and practices are continuing to be solidified with personnel expertise and direction.
 - b. After a difficult winter, the Road and Bridge Division proved to again be effective successfully combating over 40 winter advisory events.

c. Improved policies, procedures, needs assessment and best practice manuals to ensure that quality is documented and repeated.

3. Facilities Management

- a. Continued to improve imperative Health, Life Safety and Welfare conditions within the DOC facilities.
- b. Responded effectively to the DTCH flood incident and ongoing restoration activities improving a number of vital building systems and tenant finishes.
- c. Maintained a reasonably small roster of work orders throughout the County

4. Planning and Development

- a. Maintained exquisite level of customer service
- b. Achieved a perfect record of permit and review submittal schedules
- c. Added increased level of skill and education through professional development

RECORDER OF DEEDS

It is the responsibility of the Recorder of Deeds Department to provide:

- Timely recording and indexing of official records and documents for the business community, Courts, financial institutions, and general public. Annually the Department processes over 108,000 documents, the 2nd highest volume in the State of Missouri. The Department uses technology, E-Government opportunities, and state-of-the-art solutions to provide timely recording, inquiry, and copy/search/retrieval services. The department maintains a goal of three-day or less document processing including recording, indexing, verification, and digitization. The Department leads all Missouri recording offices with more 85% participation in "Electronic Recording" of real estate documents, with a goal of attaining 90% by the end of 2021.
- The Department is responsible for issuing Missouri Marriage Licenses, per statutory provisions, regarding checking identity, age and collecting statistical marriage applicant information for the Missouri Department of Health and Senior Services, Vital Statistics. The department leads the State of Missouri in issuing over 5,700 licenses per year and meeting with 11,000 applicants.
- The Department provides Executive and Legislative Branch record preservation at the Jackson County Records Center located in Independence, Missouri. The climate-controlled, secure, 55,000 sq. ft. underground facility, provides paper and electronic storage for the 16th Circuit Court and over twenty departments and agencies. Documents and land books date back to the beginning of Jackson County in 1826.

MEDICAL EXAMINER'S OFFICE

Mission Statement

The Jackson County Medical Examiner's Office (JCMEO) governed by Missouri Revised Statutes, investigates all homicides, suicides, accidental and natural deaths in Jackson County, Missouri. Our trained death investigators and board-certified forensic pathologists conduct in-depth examinations of the deceased to determine cause and manner of death. JCMEO also trains and educates the community it serves and will ensure that the JCMEO maintains National Association of Medical Examiners (NAME) and Accreditation Council for Graduate Medical Education (ACGME) accreditations and continues its high standards of dedicated forensic services.

Goals

- 1. Continuing education of the JCMEO staff in offering professional death investigation in Jackson County as well as other outside counties as requested.
- 2. Provide education and training in death investigation and mass fatality preparedness.
- 3. Work with and train other support agencies in the community (law enforcement, courts, health, funeral homes, and others) to provide outstanding death investigation.

Objectives

- 1. Ensure training opportunities for JCMEO staff in death investigation.
- Increase number of American Board of Medicolegal Death Investigators (ABMDI) registered Medicolegal Death Investigators.
- 3. Provide education and training to the community by offering lectures and volunteer opportunities.
- 4. Commitment to the Forensic Pathology Fellowship and rotating Pathology Residents from the University of Missouri–Kansas City School of Medicine (UMKC) and the University of Kansas School of Medicine (KUMC).
- 5. Contribute to the Health Sciences District, A cooperative partnership formed by 12 neighboring health care institutions on Hospital Hill, to promote collaboration on research, grants, community outreach and shared wellness.
- 6. Mass fatality training and community preparedness achieved through involvement with the Mid-America Regional Council (MARC), the Disaster Mortuary Operational Response Team (DMORT), the Missouri Mortuary Operations Response Team (MO MORT 1) and the Kansas City Regional Mortuary Response Group (KCRMORG).

Performance Measures

- Budgeting funds to attend NAME and American Academy of Forensic Sciences (AAFS) meetings annually and providing training opportunities to investigators, administrative staff and forensic techs. All investigators to be registered by ABMDI within three years of starting employment.
- 2. Continuing funding and ACGME accreditation of our Forensic Pathology Fellowship Program.
- 3. Continue an active role in KCRMORG, DMORT, and MO MORT 1 for mass fatality preparedness awareness and with the health department and MARC for research, collaboration and funding.
- 4. Continuing education to local hospitals on proper death reporting methods. Offering training to local law enforcement and funeral homes and committee involvement in Health Care Coalition (HCC).

Achievements

- 1. NAME Annual Reaccreditation in 2018, highest ranking with zero deficiencies.
- 2. ACGME Annual Reaccreditation in 2018.
- 3. 2018 MTN award for commitment to and advocacy for organ & tissue donation.
- 4. 2017/18 Forensic Pathology Fellow, Ransom Ellis, D.O. outstanding evaluations and reviews. 2018/19 Forensic Pathology Fellow, Tiffany Hollenbeck, D.O. outstanding evaluations and reviews.

PUBLIC ADMINISTRATOR'S OFFICE

Mission Statement

The guiding principles of the Jackson County, Missouri Public Administrator's Office (PAO) when acting as professional fiduciary and advocate are to act ethically and, in our clients' best interests and benefit, to foster autonomy, justice and integrity, and do so in a manner worthy of the public trust.

Goals

To provide timely and effective case management and financial management in a manner consistent with the Missouri Probate Code and Guardianship Code for those persons and estates to which the Office is appointed fiduciary by the Probate Division of the Circuit Court.

Objectives

- 1. Maintain efficient review of and well-informed decisions concerning the residential, medical, psychiatric and other social service needs of the Public Administrator's wards.
- 2. Advocate for increased quality and effectiveness in the social services available to the Office's wards in order to assure their rights, including their right to health, safety and inclusion in the community, while imposing the least amount of restriction on them.
- 3. Continue protection, preservation and management of the estates and protectees under the Public Administrator's supervision.
- 4. Properly account for all financial activities performed on behalf of the Office's protectees and estates.
- 5. Prosecute and defend actions, claims and proceedings for the protection of the Public Administrator's estates' assets.

Performance Measures

- Effective case management is monitored and supervised by electronic notation of each staff's
 activities on a real time basis, through weekly team case reviews and through maintenance of
 scanned documents.
- 2. Participate in treatment team development and implementation of the wards' care plans, participate with community groups organized to improve service provision, and draft and advocate for legislative and judicial enactment to provide more and better social services.
- 3. Investigate potential assets and income subject to administration in the estates. Process direct and manual deposits. Issue payment for estate expenses.
- 4. Utilize estate management software to track, on a daily basis, accountings that are due and to produce accountings on an annual basis based on statutory and department standards.
- 5. As needed file and prosecute petitions to determine liability, to discover assets or other similar causes of action, and to defend claims and other suits filed against the Office's estates.

COMBAT

Mission Statement

COMBAT's mission is to strive to assist in creating strong, safe and safe communities for Jackson County residents free from the dangers of illegal drugs and violent crime through the use of prevention education, treatment services and support of the criminal justice system. COMBAT seeks out cutting edge evidence-based programs to address violent crime and substance use disorders, as well as substance abuse treatment.

Goals

- 1. Further implementation of the data-driven STRIVIN' (Striving Together to Reduce Violence In Neighborhoods) Initiative through which COMBAT takes a lead role in bringing together law enforcement officers, elected leaders, school administrators, court officials, social workers, program providers and concerned citizens to address crime and violence in neighborhoods through a comprehensive, collaborative and coordinated effort.
- 2. To create more transparency and accountability in all financial practices and policies related to COMBAT.
- 3. Utilize geographic information systems (GIS) technology to perform analysis of violent crime and drug activity in cooperation with county law enforcement and the county Prosecutor's Office to ensure that areas of most need for COMBAT funded programs within Jackson County have access to those resources.
- 4. Utilize GIS, social media, and traditional media platforms to increase STRIVIN' Initiative efficacy by providing information (e.g., demographic, income) for the STRIVIN' partners to better understand the fabric and needs of their communities.

Objectives

- 1. Ensure COMBAT-funded agencies are working in partnership to make certain their resources and efforts are operating in a comprehensive systematic method to address the most vulnerable and chronic at-risk families and individuals involved in violence and drug abuse throughout Jackson County. The STRIVIN' Initiative is crucial to achieving this objective through using data to identify the county's "violent crime hot spots" and to stress among program providers the need to work in collaboration with one another.
- 2. Implement a new online funding application process to modernize, streamline and manage the grant funding process from the receipt of applications, through the overall managing of the contracts.
- 3. Create and maintain a geospatial hub for Jackson County residents to access information about COMBAT funded programs, pandemic resources, and the trends of violent crime in the county.

Performance Measures

Performance measures are vital to the continued success of COMBAT. To more efficiently show that performance measures are being met by the funded agencies, COMBAT will:

- 1. Conduct both scheduled and unscheduled site visits to evaluate the effectiveness of funded programs. All programs must meet national outcome measures as outlined by the Substance Abuse and Mental Health Administration and the Office of Justice Programs.
- 2. Fully implement policies, review financial reports, assure compliance with COMBAT contracts, and provide greater financial transparency to county constituents.
- 3. Perform geospatial analysis of violent crime and drug activity to ensure that areas of most need for COMBAT funded programs within Jackson County have access to those resources.

4. Inform Jackson county residents of COMBAT's successes and the progress of the community violence and substance abuse reduction efforts through traditional and social media platforms.

Achievements

- COMBAT Administration has implemented the STRIVIN' Initiative in four of the County's violent crime hot spots by creating neighborhood hubs. These hubs have created partnerships between funded agencies who were working with the same individuals but had been working in silos.
- COMBAT Administration hired a Communications Specialist who has already updated our website, developed newsletter, and is increasing our presence on social media.
- COMBAT, in combination with the Prosecutor's Office, held Community Listening Sessions to receive feedback from the citizens of Jackson County as to the achievements of COMBAT.
- COMBAT hired a Crime Analyst who has created and maintains a county-wide violent crime dataset and performs geospatial analysis of violent crime and drug activity in Jackson County. The crime analyst also analyzes demographic and other geostatistical data for the STRIVIN' Initiative areas and for COMBAT Administrators to ensure that areas of most need for COMBAT funded programs within Jackson County have access to those resources. Additionally, the crime analyst supports special projects as directed by COMBAT Administration and the Jackson County Prosecutor's office.

PROSECUTING ATTORNEY'S OFFICE

Mission Statement

In partnership with our Community, the office is dedicated to ethically and professionally pursuing the cause of justice, promoting public safety through data-driven practices and providing a voice for victims of crime.

Goals

- 1. Developing smart strategies and data driven initiatives aimed at reducing violent crimes in Jackson County, Missouri.
- 2. Fostering trust through relationships, partnerships and community collaboration in an effort to increase transparency.
- 3. Providing resources and support to victims of crime through agency referrals and partnerships.
- 4. Supporting alternative programs that reduce recidivism through rehabilitation (i.e. Diversion and Drug Court programs).

Objectives

- 1. Continuing the tradition of developing cutting edge programs and initiatives aimed at increasing public confidence in a criminal justice system.
- 2. Providing support services to victims of crime and neighborhood communities they live in with the goal of facilitating cooperation resulting in an increase of prosecution against those that commit violent crimes.
- 3. Developing and implementing alternative programs aimed at reducing recidivism rates and repeat offenders.
- 4. Promoting new strategies and partnerships that help young offenders find a more productive future.

Performance Measures

- 1. Increasing percentage of violent crime prosecutions based on victim/witness cooperation and law enforcement agency collaborations.
- 2. Evaluating the percentage of participants who complete diversion successfully and are not charged with a new offense during a specific period after program completion.

Achievements

- 1. The Jackson County Prosecutor's Office provided review, advice, counsel and direction for the prosecution of over 7,000 criminal offenses, including 6,048 felony offenses in 2019.
- 2. Refined more comprehensive approaches in reviewing more than 100 homicides, and multiple law enforcement use-of-force cases, by using specialized committees of veteran prosecutors to review the cases for possible criminal charges.
- 3. In collaboration with KCPD, implemented a new process and structure for reviewing non-fatal shooting cases in Kansas City and for supporting those investigations.
- 4. Implemented a new victim/witness program (Caring for Crime Survivors) where direct services are provided to crime victims based on violence, even where crimes have not been charged.

- 5. Continued its commitment to exploring new and better ways to prevent and reduce crime, especially violence. In that vein, the Prosecutor's Office has initiated a new Crime Strategies Unit to address crime trends and proactively address community needs.
- 6. Expanded its efforts to address the often-difficult issue of domestic or intimate partner violence, establishing a new countywide working group that includes police agencies, domestic violence shelters, court advocates and other members of the criminal justice system. The goal is to better coordinate enforcement and build new ways to prevent future violence, potentially saving the lives of victims of abusive intimate partners.
- 7. Sustained new community efforts to engage students in Jackson County by promoting positive youth activities, including sponsorship of debate teams in the Hickman Mills School District.
- 8. Closed out a successful three-year program to try innovative solutions in violent crime hot spots in East Patrol, including the first diversion of felony cases to the restorative justice process known as Neighborhood Accountability Boards.
- 9. Established a new Public Corruption/White Collar Crime Unit, and worked effectively with law enforcement partners to build successful white collar and political corruption cases.

SHERIFF'S OFFICE

Mission Statement

The mission of the Jackson County Sheriff's Office is to preserve life and protect property, prioritizing our focus on the safety, security and wellness of our employees and the citizens that we serve.

Goals

- 1. Coordinate with other law enforcement agencies within Jackson County to preserve a public peace, protect the rights of person and property, be proactive in crime prevention and provide assistance to citizens in urgent situations.
- 2. Uphold all statutory and constitutional standards of the office and work to provide a safe environment for the people of Jackson County. We are committed to providing fair, unbiased, judicious police service in a manner that is respectful of the dignity of all individuals. It is not the role of the office to legislate, render legal judgments or punish.
- 3. Administratively, the department understands the importance of following Jackson County Personnel Rules and adhering to proper procedures established by our Human Resource Department, Finance/Payroll Department, and the Records Unit. We will strive to perform all tasks abiding by county and state guidelines, doing so with the utmost moral standard.

Objectives

- 1. Provide law enforcement services to all citizens and visitors of Jackson County by responding to citizens requests for assistance, calls for service, registering sex offenders, decreasing alcohol related traffic incidents, serving warrants, providing security for county courthouses, issuing concealed carry permits and enforcing the laws of the State of Missouri and the County Charter.
- 2. The Sheriff's Office also has several specialty units including; motorcycle, K-9, ATV, Emergency Response Tactical Team, UAV (Drone) and Auxiliary Units, to include a Reserve Unit and Chaplain Corps who provide volunteer services throughout Jackson County. These units are frequently called to provide assistance to neighboring jurisdictions during critical incidents to provide special assistance or augment manpower.

Performance Measures

- 1. The Sheriff's Office utilizes a Report Management System (RMS) for recording the activity of its members. The RMS collects data from calls for service and self-initiated activity.
- 2. Data is collected on reported crimes and the resolution of those cases. The clearance rate of cases solved or closed is maintained and reported to the State of Missouri monthly and to the Federal Bureau of Investigation annually. Sheriff's Office commanders and supervisors review this information to measure current performance and to provide a guideline for any required changes.

Achievements

The Sheriff's Office provides a variety of law enforcement functions throughout Jackson County Missouri. In 2020 the Sheriff's Office expanded its commitment to employee well-being by developing a peer support program and investing in an early warning software system which is a data-based management tool

designed to identify problematic behavior and provide intervention to modify it. The Sheriff's Office Response Team combined efforts with the Kansas City Police Department to combat illegal street racing and maintain order during periods of civil unrest. The Response Team also assisted outside agencies in various tactical operations and apprehended 50 fugitives, while supplementing manpower throughout the Sheriff's Office. The Sheriff's Office Traffic Unit combined efforts with other local agencies to reduce impaired driving incidents in the metropolitan area, making 172 arrests, to include 12 arrests for chronic or persistent offenders. Members of the Investigations Division participated in Cooperative agreements with federal agencies to apprehend violent offenders and to locate non-compliant sex offenders, while handling growing caseloads of property and persons crimes. The Sex Offender unit charged with monitoring the activity of over 2,270 registered sex offenders, required to register in Jackson County, were responsible for filing 62 felony and 420 misdemeanor cases for violation of law. The Sheriff's Office provided updated Domestic Violence training to all members, to include updating the policy and creating a lethality assessment, in an attempt to reduce the frequency and severity of violence occurring from intimate partner violence. The Sheriff's Office has continued focus on enhancing the safety, security and wellness of employees, inmates, and visitors of the detention facility. The Sheriff's Office Chaplaincy Corps responded to several critical incidents to assist the mission of the Sheriff's Office which includes providing support to members of the community. During the COVID 19 Pandemic the Court Security Division expanded their operations to provide security both inside and outside of facilities, monitoring both security and social distancing guidelines. Court Security was responsible for screening over 168,948 visitors since January of 2020, seizing 1,372 pieces of contraband at checkpoints. The Support Services Division, which includes the Concealed Carry Program, processed 417 new applications and renewed 2,011 Concealed Carry Licenses. The Communications Unit fielded 32,033 non-emergency calls, and 14,956 911 calls, while logging 49,156 events.

CORRECTIONS DEPARTMENT

Mission Statement

The Mission of the Corrections Department is to become a Premier Corrections Agency.

Goals

- 1. Continue to update policies to align with ACA accredited practices and procedures.
- 2. Enhance healthcare and behavioral health services, providing a more streamlined continuity of care as inmates enter and are adjudicated out of our facility.
- 3. Enhance training to increase associate retention.
- 4. Increase inmate participation in department programs.

Performance Measures

- 1. Monthly tracking of the policy approval velocity as it passes through the updating/approval funnel.
- 2. Monthly tracking of key performance indicators as detailed in the bi-monthly cross functional team meetings at Truman Medical Center.
- 3. Monitoring average length of time between associate start date and commencement of Academy as measured against length of time to complete necessary training components for first year career path.
- 4. Electronic media usage will allow better tracking of bond payments and bond payment opportunities. Monitoring the percentage of accuracy of eBonds being posted against the current process for tracing and noting the rate of change/efficiency.
- 5. Scheduled and unscheduled vulnerability assessments and integrity checks of facility perimeter, documenting progress and areas for improvement.
- 6. Monitoring inmate program enrollment vs. program eligibility as well as resource allowances for escort and program facilitation.
- 7. Monitoring number of administrative relief forms initiated and the response rates that result will determine if inmate concerns are being adequately addressed.

Achievements

- 1. For the first time in the jail's history, we have a contract for mental health services for our population that is compliant with national standards for correctional health care.
- 2. In 2020, the County House Arrest and Courtesy Supervision programs has a success rate of 87%. The program limits were also increased, we have more than double the number of participants actively participating in these programs.
- 3. Overtime at JCDC has been reduced by 14.7 percent over last year.
- 4. We began a new contractual agreement to house Kansas City Inmates.
- 5. Inmates were provided free video visitation during the COVID-19 related shutdown of our lobby, rewarding them for meeting their behavioral and sanitation guidelines within their modules.
- 6. More than 72-percent of all policies have been reviewed/revised bringing the facility closer towards compliance with ACA standards.
- 7. Completed the Restructure of the organization combining the Sheriff's Office and JCDC into one organizational structure.
- 8. Detention staff is required to attend 40 hours of annual refresher training including a review of all department policies.
- 9. Implemented random searches of the facility using the Sheriff's Office Canine Unit.
- 10. Seven Correction Officers have been promoted to Master Correction Officers.

IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

AN ORDINANCE setting the 2021 Jackson County, Missouri tentative tax levy.

ORDINANCE NO. 5449, November 16, 2020

INTRODUCED BY Theresa Cass Galvin, County Legislator

WHEREAS, chapter 5, section 539.00 of the <u>Jackson County Code</u> requires the County Legislature to adopt a tentative tax levy sufficient to provide for appropriations in the County budget; and,

WHEREAS, the proposed 2021 annual County budget would require the following tax levies on each hundred dollars of assessed valuation for the fiscal year 2021:

| FUND | LEVY |
|----------------------------|----------|
| General Fund | \$0.2562 |
| Health Fund | 0.2740 |
| Park Fund | 0.1380 |
| Special Road & Bridge Fund | 0.2562 |
| TOTAL ALL FUNDS | \$0.9244 |
| | |

and,

WHEREAS, pursuant to authorization granted by sections 67.500 through .545, RSMo, the qualified voters in Jackson County on November 6, 1979, approved Jackson County Proposition #1 which imposed a county-wide sales tax of one-half of one percent and required that the total county property tax levy be reduced by 70% of the total amount of the sales tax revenues in the tax year; and,

WHEREAS, section 67.505, RSMo, requires that after the County has determined its budget, the total property tax levy must be reduced in an amount sufficient to decrease the total property taxes it will collect by an amount equal to 70% of the sales tax revenue in the same tax year; and,

WHEREAS, section 67.500 defines "sales tax revenue collected" as the amount of sales tax revenue received by a county during the first six calendar months of any year multiplied by two, which is not to be confused with budgeted revenues; and,

WHEREAS, the tentative estimate of the sales tax revenues in 2021, after economic activity taxes are remitted, is \$48,479,228.00; and,

WHEREAS, this tentative estimate is subject to revision based upon actual sales tax revenues during the first six months of 2021 and the permanent levy to be adopted in September 2021 will reflect actual sales tax revenues during the first six months of 2021; and,

WHEREAS, the County can levy a property tax recoupment rate if assessments are reduced after tax rates are set and the reductions are due to decisions of the State Tax Commission or a court or are due to clerical corrections; and,

WHEREAS, 2019 assessments were substantially reduced due to the factors set out in the previous paragraph, resulting in lost revenues to the County; now therefore,

BE IT ORDAINED by the County Legislature of Jackson County, Missouri, that it is the intent of the Legislature to levy a recoupment rate for the County's General Fund as authorized by law; and

BE IT FURTHER ORDAINED that, based upon tentative estimates of the sales tax revenues in 2021 and based upon the appropriations in the 2021 annual County budget, the following amounts on each one hundred dollars of assessed valuation be set as the Jackson County tentative tax levy for the fiscal year 2021 on real and personal property within Jackson County, Missouri:

| FUND | LEVY |
|----------------------------|----------|
| General Fund | \$0.2259 |
| Health Fund | 0.1991 |
| Park Fund | 0.1204 |
| Special Road & Bridge Fund | 0.0688 |
| TOTAL ALL FUNDS | \$0.6142 |

Jackson County Executive

December 23, 2020

Signing Statement from the County Executive

Ordinance 5461

RECEIVED

DEC 28 2020 JKR am

MARY JO SPINO COUNTY CLERK

TO THE JACKSON COUNTY LEGISLATURE:

Today I have signed Ordinance 5461, the annual appropriation order which provides the full and complete financial plan for Jackson County, Missouri's 2021 fiscal year. Pursuant to the authority granted to my office by the Constitutional Home Rule Charter of Jackson County, I have chosen to approve this Ordinance, with limited objections, commonly referred to as line-item vetoes.¹

Ordinance 5461, as amended, proposes expenditures totaling \$35,800,000 from the County's Anti-Crime Sales Tax (Fund #008). Notably, both the recommended and adopted budget estimate the total income from Fund #008 of \$31,549,875. Therefore, without the line-item reductions referenced above, the County's Anti-Crime Sales Tax Fund would include \$4,250,125 in expenditures in excess of estimated revenue. In addition to being technically unbalanced, such a budget would conflict with numerous provisions of state statutes and the county's code of ordinances.²

Notably, after the necessary reductions, the following departments/entities/purposes will still receive funding equal to, if not in excess of, the expenditures proposed in the recommended budget:

- COMBAT Administration
- COMBAT Prevention (+\$1,306,001)
- COMBAT School Programming
- COMBAT Treatment (+\$1,306,001)
- KCPD
- Jackson County Drug Task Force
- Family Court
- Circuit Court

¹ See Jackson County Charter Article II. § 12. (2018).

² See Mo. Const. art. VI, § 26(a); Mo. Ann. Stat. § 50.610; Sec. 531-532, Jackson County Code.

Members of the County Legislature December 23, 2020 Page 2

The following departments/entities/purposes were reduced by the Legislature, but were not impacted by line-item veto:

- COMBAT Grant Match (eliminated by Legislative amendment)
- Prosecuting Attorney- Anti-Violence
- Prosecuting Attorney- Criminal Prosecution
- Prosecuting Attorney- Deferred Prosecution
- Prosecuting Attorney- Drug Prevention
- Corrections
- Jail Population Control

Finally, I would like to the thank the members of the Legislature for the hard-work and tireless efforts that led to the unanimous passage of this year's annual budget. Your support and leadership have been instrumental in moving Jackson County forward and I look forward to working with each of you in the year to come.

Sincerely,

Frank White, Jr.

Jackson County Executive
