

2018 Annual Report
Jackson County Medical Examiner's Office

950 E. 21st Street
Kansas City, Missouri 64108
Telephone: 816.881.6600
Fax: 816.881.6641

<http://www.jacksongov.org/151/Medical-Examiner>

Diane C. Peterson, M.D.
Chief Medical Examiner

B. Robert Pietak, M.D.
Deputy Medical Examiner

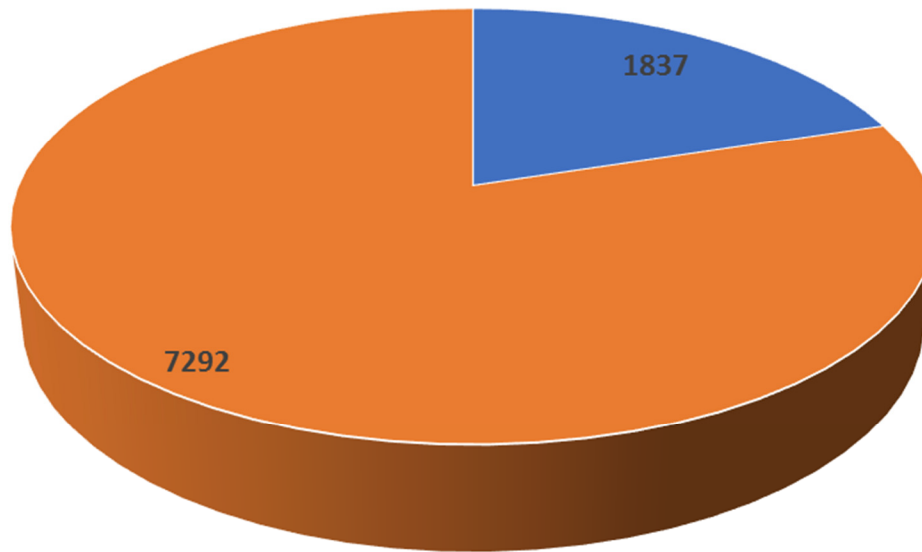

Marius C. Tarau, M.D.
Deputy Medical Examiner

Lindsey J. Haldiman, D.O.
Deputy Medical Examiner

- a Does the office prepare an annual report tabulating total cases reported, accepted, examined, and autopsied, and the major causes of death sorted by each manner of death category?
- Section a1.1: Does the office prepare an annual report tabulating total cases reported?
- Jurisdiction and Non-Jurisdiction Counties

Does the office prepare an annual report tabulating total cases reported?

Total Cases Reported = 9129

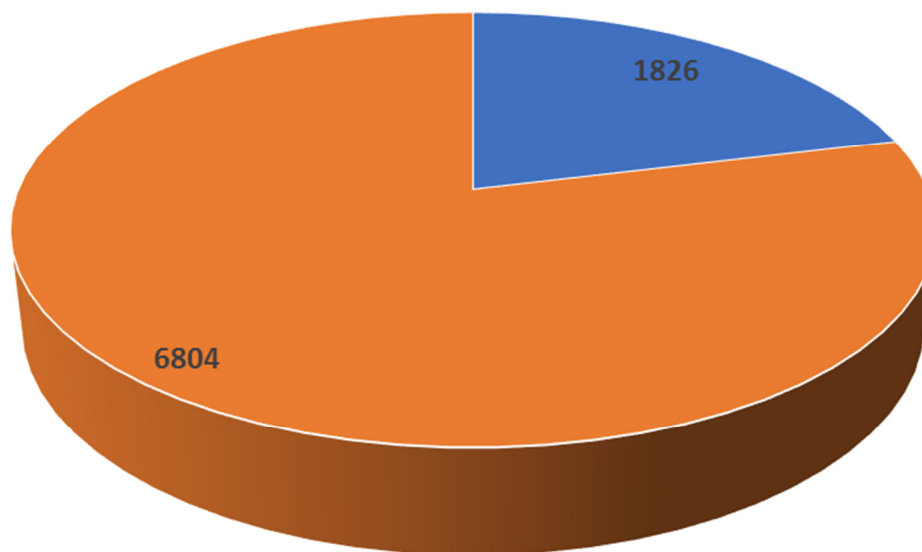

■ Total Cases Accepted ■ Total Cases Declined

Section a1.1, Jurisdiction and Non-Jurisdiction Counties:

- Section a1.2: Does the office prepare an annual report tabulating total cases reported?
- Jackson/Cass/Platte/Clay Counties

Does the office prepare an annual report tabulating total cases reported?

Total Cases Reported = 8630

■ Total Cases Accepted ■ Total Cases Declined

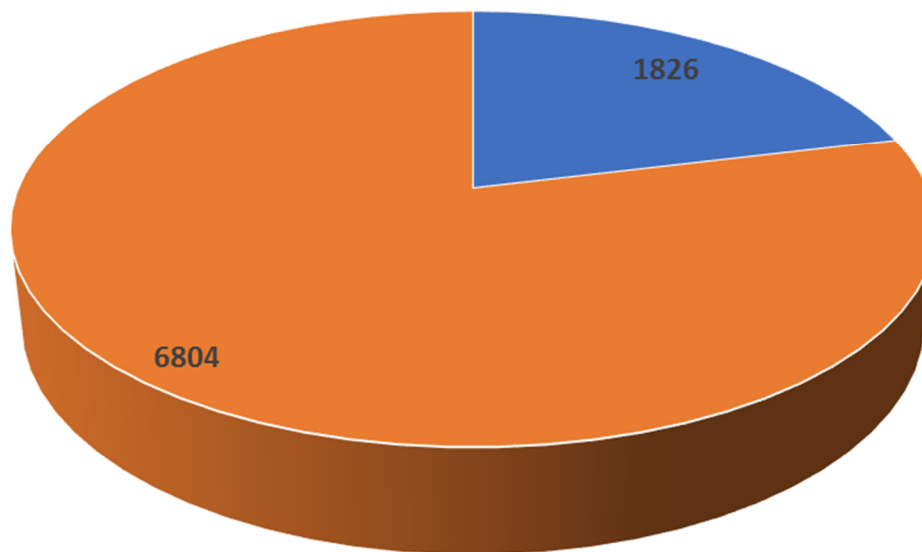

Section a1.2, Jackson/Cass/Platte/Clay Counties:

Section a1.2: Does the office prepare an annual report tabulating total cases reported?

- Jackson/Cass/Platte/Clay Counties

Does the office prepare an annual report tabulating total cases reported?

Total Cases Reported = 8630

■ Total Cases Accepted ■ Total Cases Declined

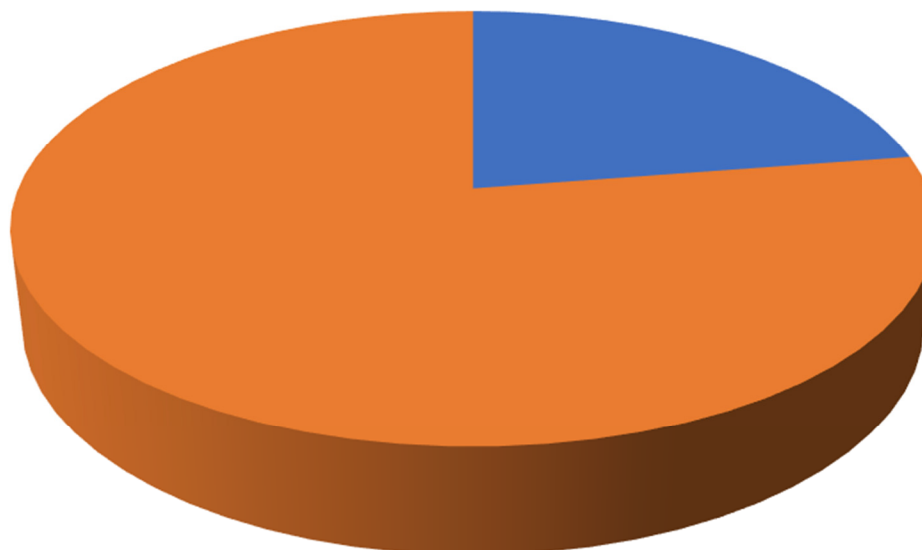

Section a1.2, Jackson/Cass/Platte/Clay Counties:

Section a1.3: Does the office prepare an annual report tabulating total cases reported?

- Jackson County

Does the office prepare an annual report tabulating total cases reported?

Total Cases Reported = 5808

■ Total Cases Accepted ■ Total Cases Declined

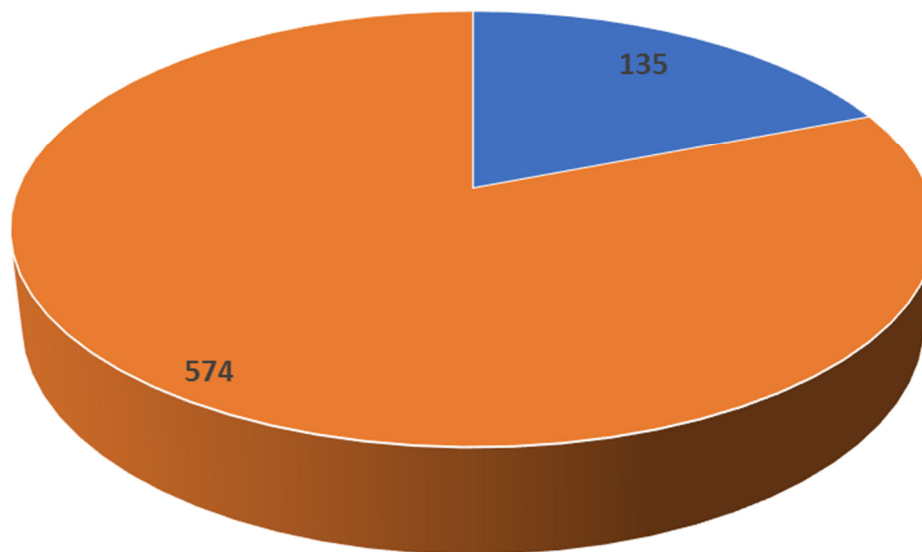

Section a1.3, Jackson County:

Section a1.4: Does the office prepare an annual report tabulating total cases reported?

- Cass County

Does the office prepare an annual report tabulating total cases reported?

Total Cases Reported = 709

■ Total Cases Accepted ■ Total Cases Declined

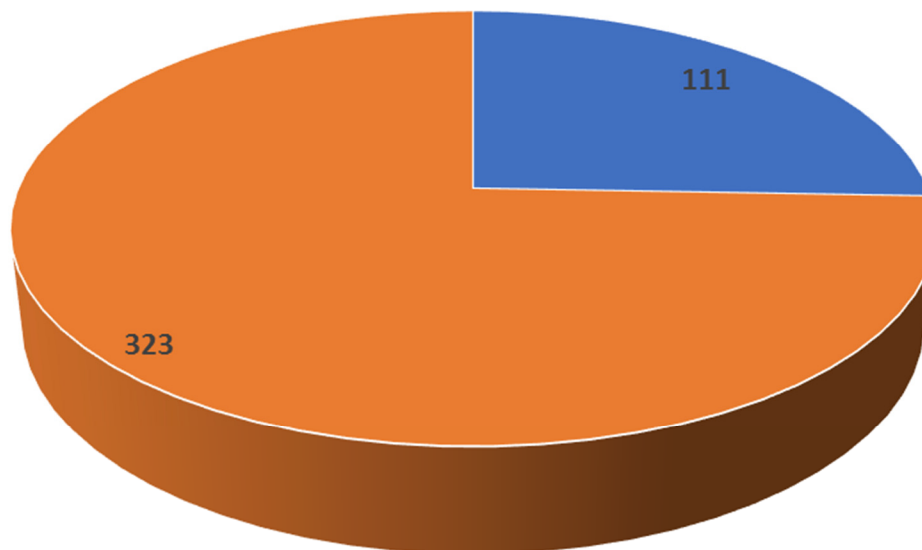

Section a1.4, Cass County:

Section a1.5: Does the office prepare an annual report tabulating total cases reported?

- Platte County

Does the office prepare an annual report tabulating total cases reported?

Total Cases Reported = 434

■ Total Cases Accepted ■ Total Cases Declined

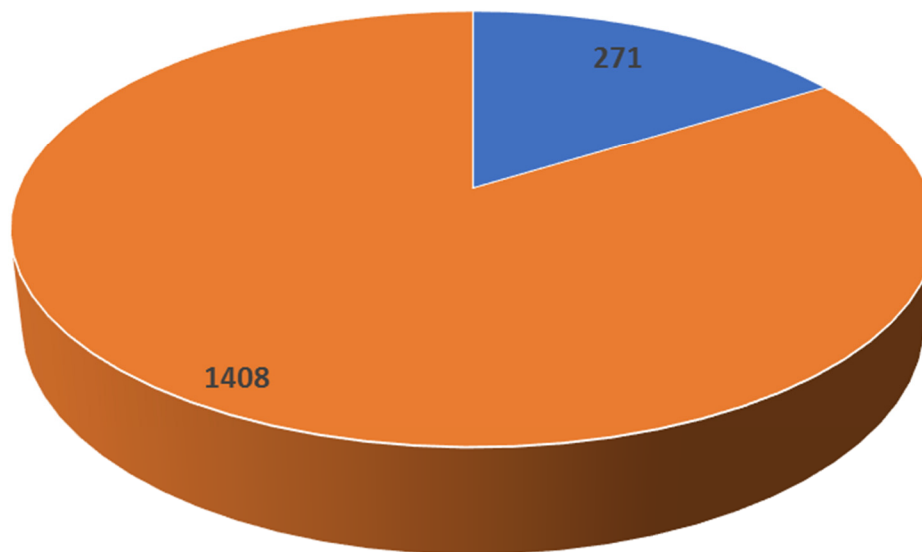

Section a1.5, Platte County:

Section a1.6: Does the office prepare an annual report tabulating total cases reported?

- Clay County

Does the office prepare an annual report tabulating total cases reported?

Total Cases Reported = 1679

■ Total Cases Accepted ■ Total Cases Declined

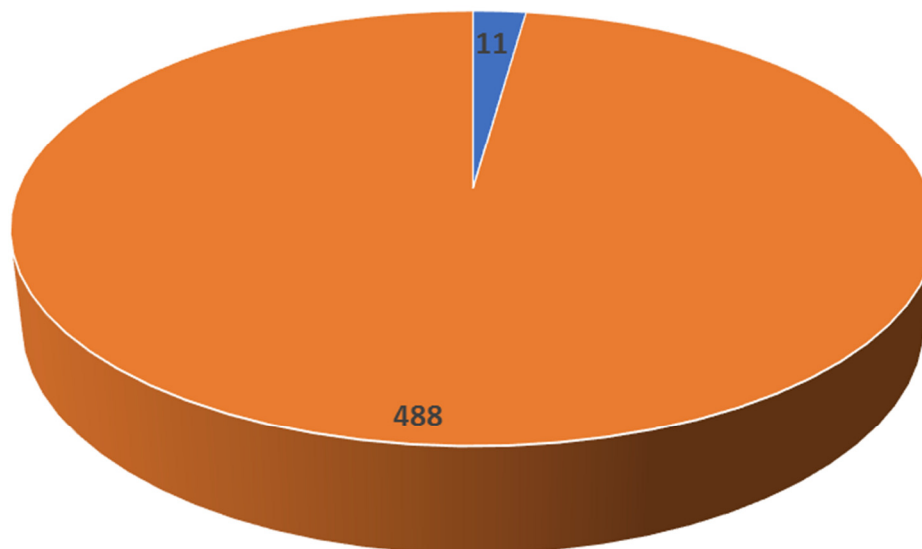

Section a1.6, Clay County:

Section a1.7: Does the office prepare an annual report tabulating total cases reported?

- Non-Jurisdiction Counties

Does the office prepare an annual report tabulating total cases reported?

Total Cases Reported = 499

■ Total Cases Accepted ■ Total Cases Declined

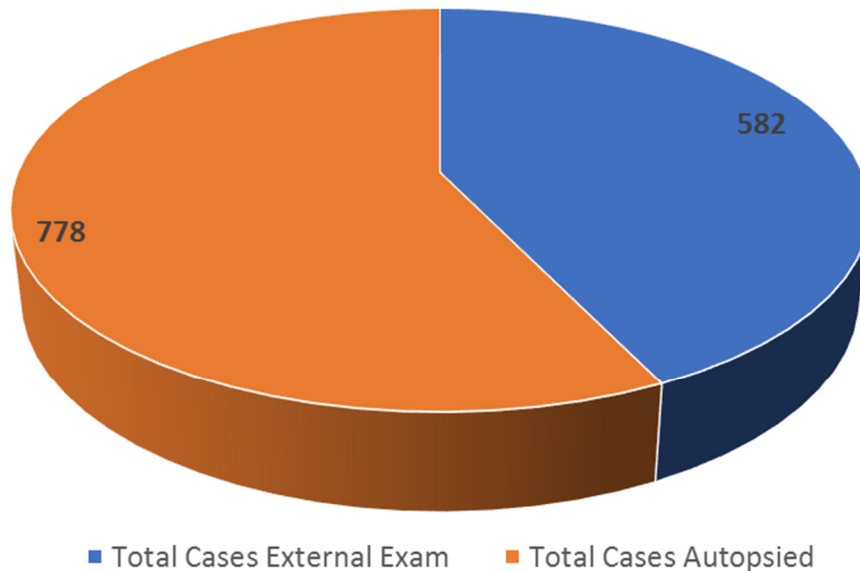

Section a1.7, Non-Jurisdiction Counties:

Section a2/a3/a4: Does the office prepare an annual report tabulating total cases accepted, examined, and autopsied?

- Jurisdiction and Non-Jurisdiction Counties

Does the office prepare an annual report tabulating total cases accepted, examined and autopsied?

Total Cases Accepted = 1837

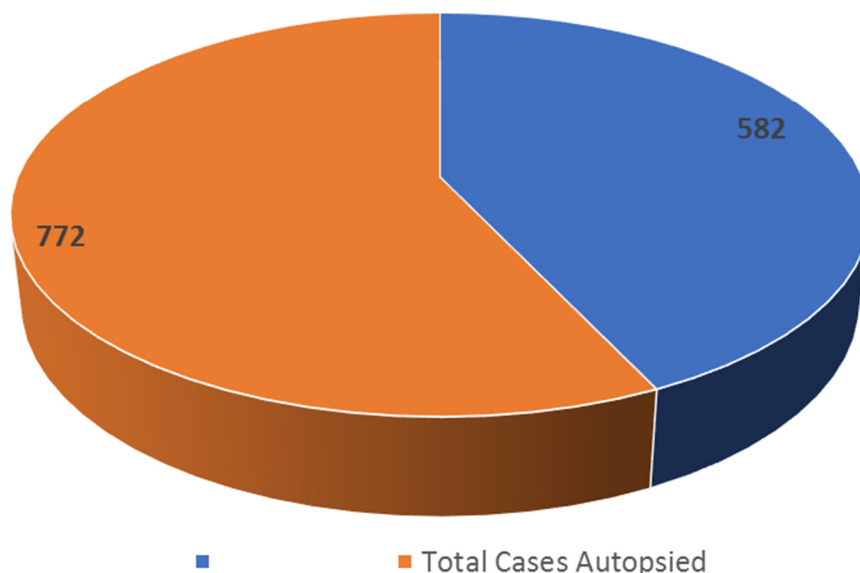

Section a2/a3/a4, Jurisdiction and Non-Jurisdiction Counties:

Section a2/a3/a4 (2): Does the office prepare an annual report tabulating total cases accepted, examined, and autopsied?

- Jackson/Cass/Platte/Clay Counties

Does the office prepare an annual report tabulating total cases accepted, examined and autopsied?

Total Cases Accepted = 1826

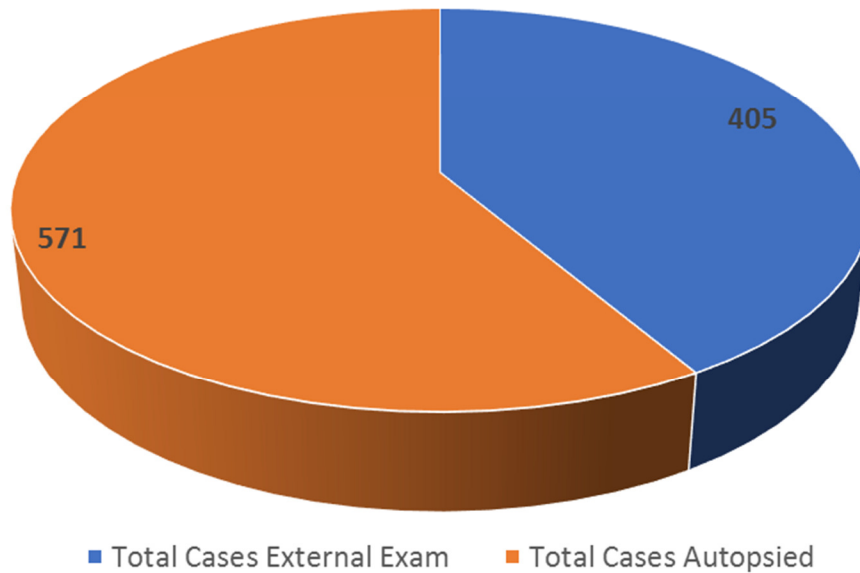

Section a2/a3/a4, Jackson/Cass/Platte/Clay Counties:

Section a2/a3/a4 (3): Does the office prepare an annual report tabulating total cases accepted, examined, and autopsied?

- Jackson County

Does the office prepare an annual report tabulating total cases accepted, examined and autopsied?

Total Cases Accepted = 1309

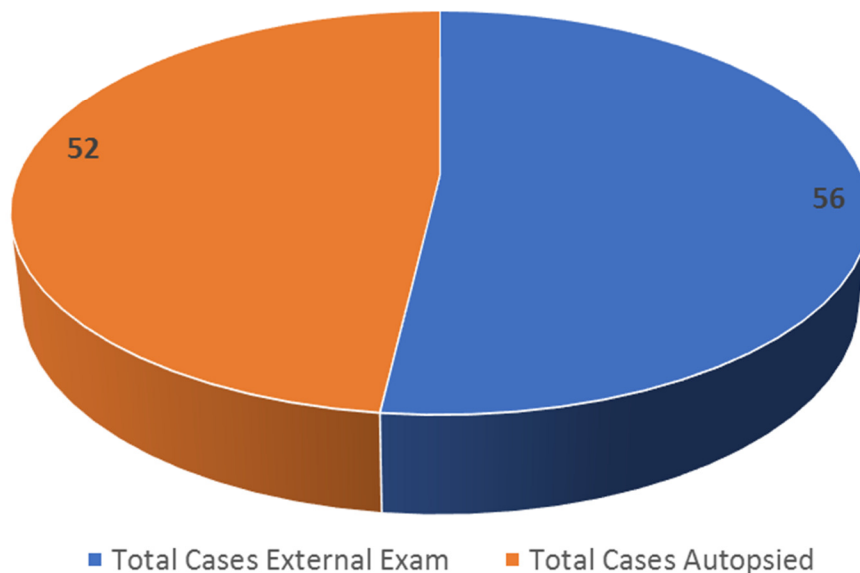

Section a2/a3/a4, Jackson County:

Section a2/a3/a4 (4): Does the office prepare an annual report tabulating total cases accepted, examined, and autopsied?

- Cass County

Does the office prepare an annual report tabulating total cases accepted, examined and autopsied?

Total Cases Accepted = 135

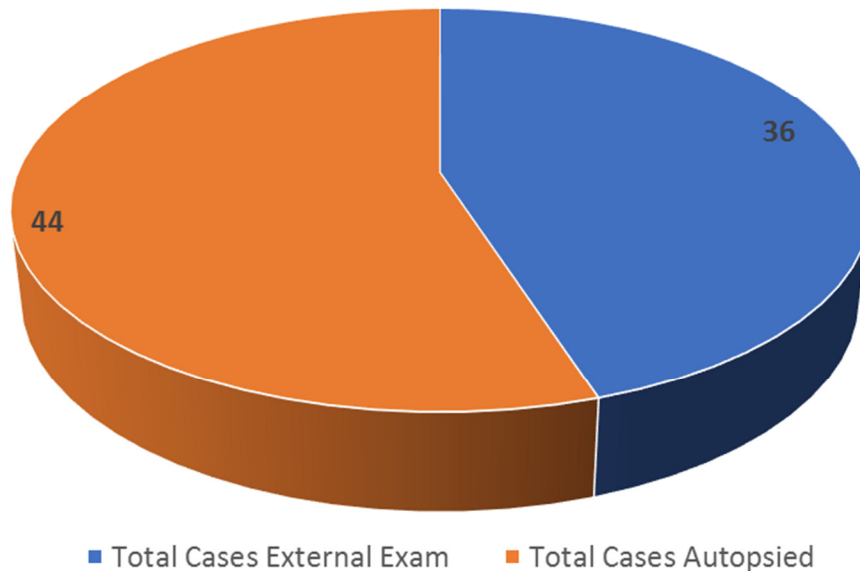

Section a2/a3/a4, Cass County:

Section a2/a3/a4 (5): Does the office prepare an annual report tabulating total cases accepted, examined, and autopsied?

- Platte County

Does the office prepare an annual report tabulating total cases accepted, examined and autopsied?

Total Cases Accepted = 111

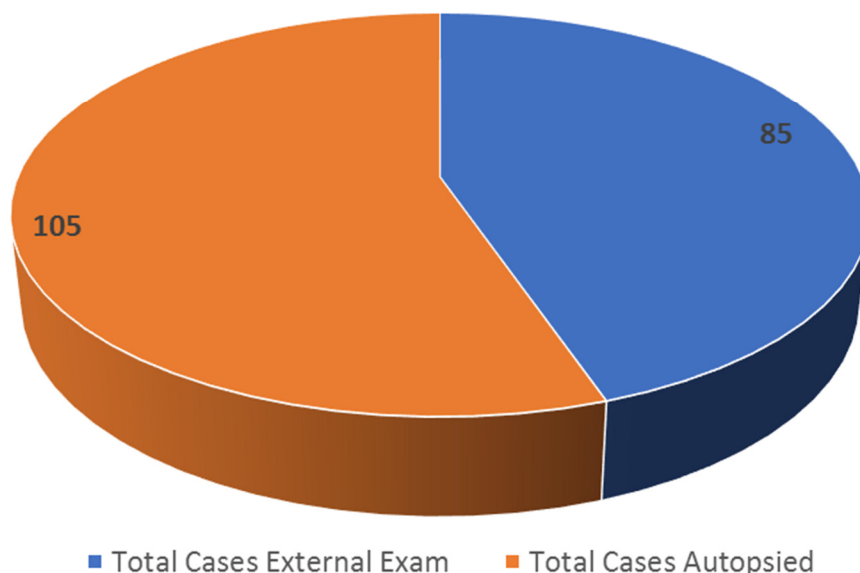

Section a2/a3/a4, Platte County:

Section a2/a3/a4 (6): Does the office prepare an annual report tabulating total cases accepted, examined, and autopsied?

- Clay County

Does the office prepare an annual report tabulating total cases accepted, examined and autopsied?

Total Cases Accepted = 271

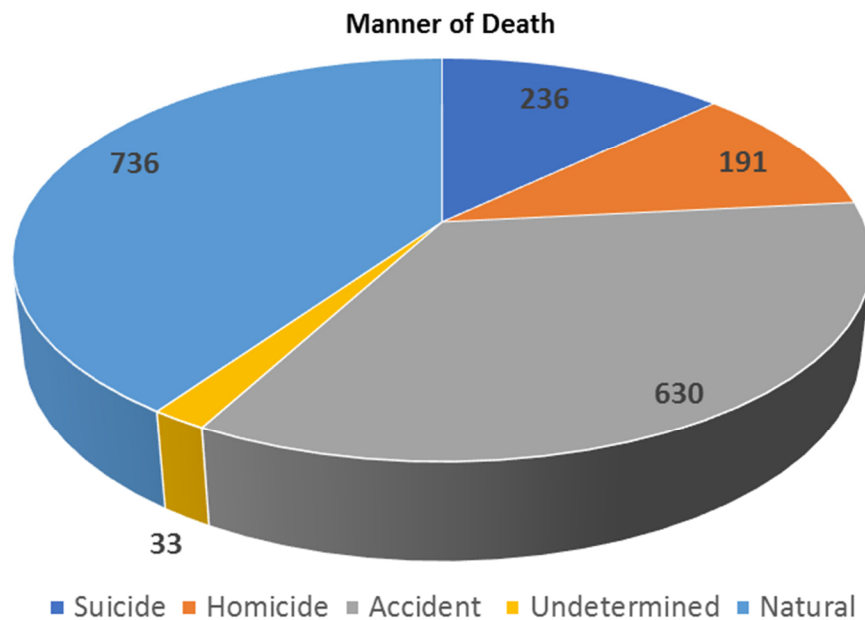

Section a2/a3/a4, Clay County:

Section a5/a6/a7/a8/a9: Does the office prepare an annual report tabulating the major causes of death sorted by each manner of death category?

- Jackson/Cass/Platte/Clay Counties

Does the office prepare an annual report tabulating total cases accepted, examined, and autopsied?

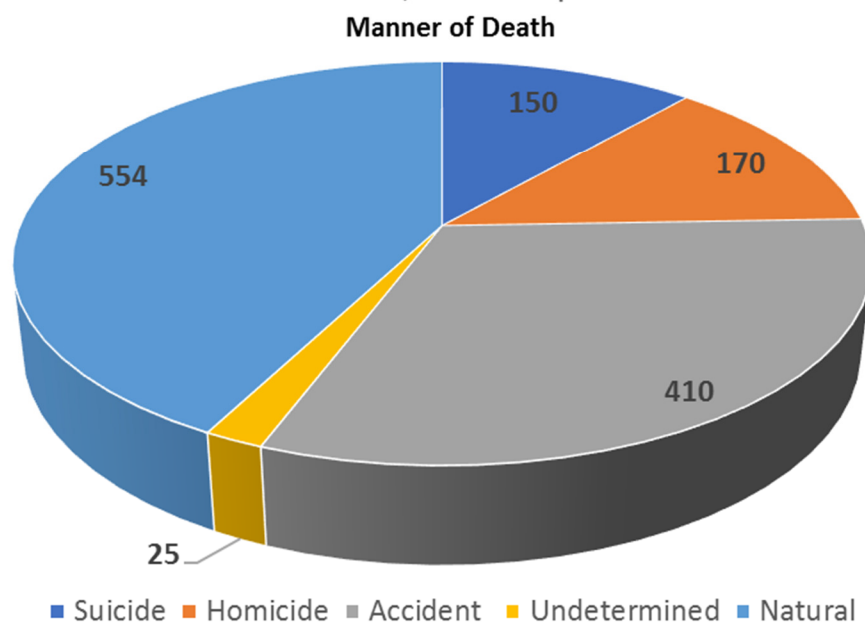

Section a5/a6/a7/a8/a9, Jackson/Cass/Platte/Clay Counties:

Section a5/a6/a7/a8/a9: Does the office prepare an annual report tabulating the major causes of death sorted by each manner of death category?
